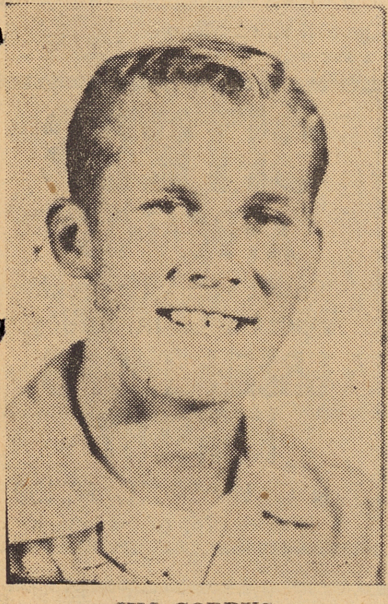
Probably the First Thing They'll Do Is Dismiss School

Campbell Students to Usurp City Offices in Peaceful Coup



JIM CORBUS
. . . Mayor-for-a-day

Campbell Mayor John M. Chargin will relinquish his gavel next Monday night to Campbell High School Student Council President Jim Corbus as part of Campbell Kids' Junior Citizens Day, it was announced this week by Mrs. Eugene C. Andres, public relations officer for the Campbell Union High School District.

The student council will meet with members of the city council Monday. The next day each student council member will take over the job of a specific city official.

Camden Participates

On the same day, members of the student council at Camden High School will assume the roles and duties of school officials and members of the district board of trustees.

The events at the high schools will be part of Campbell Kids' Week—from December 10 to 17. The week is being sponsored by the Campbell Soup Co., which also is sponsoring the high schools' Junior Citizens Day in conjunction with the Campbell Kiwanis Club.

The soup company, which, coincidentally, has its head office in Camden, N. J., is sponsoring the events in Campbell in line with its Nation-wide program to promote a greater interest in local government.

Campbell Kids' Week will get underway on December 12 when a plane will drop coupons over town, which, when presented at certain local stores, will be good for a full color picture of Lassie, the canine television star.

On the following Friday, December 14, a birthday party will be sponsored by the company for children in the orthopedic and tuberculosis wards at Santa Clara County Hospital.

Also scheduled for the week is a photographic contest open to all Campbell residents. The subject will be Campbell store displays.

The soup company also will sponsor a photo contest at the high schools. Prizes will be awarded to the two students in each of the schools who produce the best news photo and the best human interest photo typical of Campbell Kids' Junior Citizens Week.

In addition to this, plans are being made for the two student councils, accompanied by parents, to take a trip in January to Sacramento to sit in on a session of the State Legislature.

Guests of Kiwanis

During the day, (December 11), city and school officials and their young counterparts will be guests of the Kiwanis Club for luncheon at the Country Women's Club. Assemblyman Bruce Allen, Supervisor Oran Slaght and Congressman Charles Gubser have been invited to the luncheon.

Jim Corbus, student council president at Campbell High, will assume the role of Mayor John M. Chargin. City Council members will be replaced for the day by Jim Keech, Gene Andres, Arthur Hill and Christine Anderson.

Chief of Police Robert Locke will turn over his badge to Hector Cordova, student council vice-president. Harry Weber will be fire chief; Lani Cahill, city clerk; Gene Andres, city attorney; Arthur Hill, superintendent of public works; Jim Keech, planning consultant and city engineer; and Christine Anderson, secretary of the chamber of commerce. This arrangement gives some of the students dual roles.

Becomes Principal

At Camden High School, Colleen Meyer, president of the student council, will take over the desk of H. E. Alfson principal of the school. Board of trustees chairman will be Lynette Wood, and Bonnie Jean Chapman will take over as superintendent of schools. Fred Helmbold will assume the role of board clerk; members will be portrayed by Pete Baker, Kathy Beatham and Kevin Gugat. Mary Jane Thompson will be dean of girls for the day, and Bill Murphy, dean of boys.

JOHN M. CHARGIN
. . . Turns Over Reins

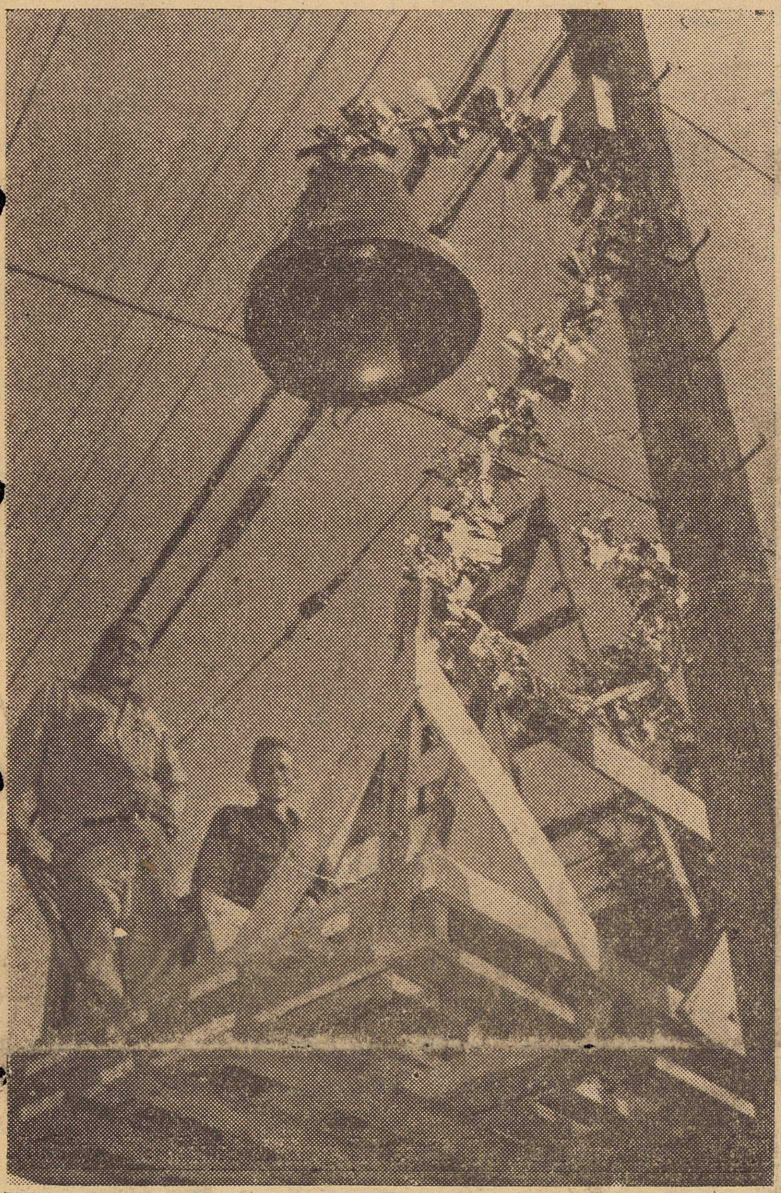
Week Proclaimed

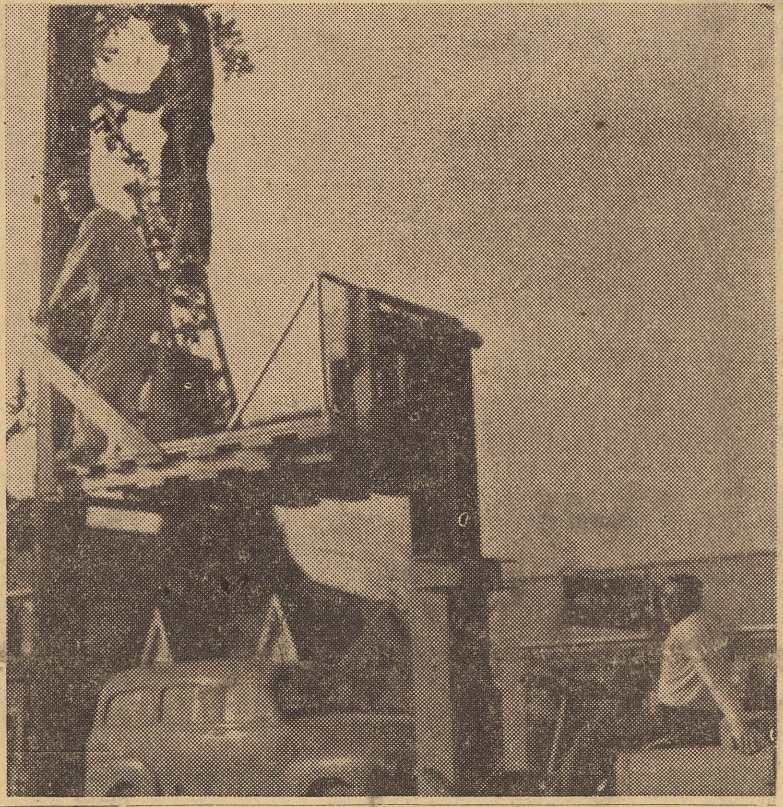
Hungary Relief

Campbell Mayor John M. Chargin proclaimed this week as Red Cross Hungarian Relief Week in Campbell.

The city council passed a resolution at its meeting which said in part that the council does ask "all of our people and our organizations to fully cooperate in this splendid pre-Christmas campaign and to give generously."

The resolution mentioned that President Eisenhower is asking the Americans to subscribe to a special five million dollar relief fund to aid the Hungarians.





UP HIGH . . . decking Campbell Ave. in Christmas attire are (far left) LeRoy Black, street superintendent, and his two helpers, Luis Wilson, (partly hidden in the left photo), and, taking it easy (right photo), Dick Domain. That's Le Roy again in the right photo by the ladder, and Luis up the ladder. The decorations are sponsored jointly by the city and local merchants. It looks like Dick has the easy job there—driving the fork lift.

Campbell Manor Residents Oppose Joining City

Plans for what was to be the City of Campbell's first annexation election ran into a road block this week when a group of residents in the "Campbell Manor" tract announced that they would oppose any move that would bring that subdivision into the city limits.

The almost completely built-up subdivision, consisting of approximately 26 homes, is located north of W. Campbell Ave. with property fronting on three other streets, Hedegard, Amato and Victor. It is virtually an "island" with only one outlet in the midst of the city, bounded on the east, north and west by the City of Campbell.

Under the proposed annexation plan that section adjacent to the subdivision on the south extending along W. Campbell Ave. to San Tomas Aquino Road and south to West Rincon would be tied onto the Campbell Manor area for the purpose of annexation. This southern section, however, has less than 12 registered voters and for that area to come into the city it would not be necessary to hold an election.

The boundaries for the proposed annexation have already been approved by the County Boundary Commission and steps are now being taken by the City with the assistance of Sam Cava, secretary-manager of the Chamber of Commerce, to arrange for the annexation election.

What course will now be taken by the City and Cava in face of the opposition which has arisen since the approval by the Boundary Commission remained unanswered this week. Cava, however, said that he was preparing facts and figures to show the residents the advantages of joining the city and that he planned to contact all the residents in the area.

Before an election can take place petitions must be signed by the residents of the area asking to come into the city. If a majority do not sign the request, city officials naturally feel it would be useless to hold an election.

Leader of the opposition to becoming part of the City of Campbell is James C. Malone, 731 Hedegard Ave., assistant cashier for the Cambrian Park branch of the Bank of America

Letter to Editor

In a "letter to the editor" in this issue, Malone states the reasons for the residents' opposition and claims that "about 20 of the 26 residents of Campbell Manor will vote against it." With Homer Cooper, 721 Hedegard, Malone conducted a door-to-door survey and presented facts regarding costs, taxes, fire insurance, police and fire protection, and street maintenance to the residents.

In his letter to the editor, Malone listed 15 home owners who indicated they wished to be excluded from the proposed annexation.

These included: Mr. and Mrs. Alton Connor, 61 Amato; Mr. and Mrs. James G. Haffter, 91 Amato; Mr. and Mrs. K. S. Pearman, 90 Amato; Mr. and Mrs. Y. H. Bravo, 80 Amato; Mr. and Mrs. James C. Malone, 731 Hedegard; Mr. and Mrs. George W. Basye, 70 Victor; Mr. and Mrs. A. F. Zimmer, 80 Victor; Mr. and Mrs. Leland Dugan, 90 Victor; Mrs. Mae E. Lorenz, 40 Victor; Mr. and Mrs. Robert Seligson, 31 Victor; Mr. and Mrs. Daniel Fields, 710 Hedegard; Mr. and Mrs. J. M. Gifford, 690 Hedegard, Mr. and Mrs. Ray Barton, 680 Hedegard; Mr. and Mrs. Harold Adams, 700 Hedegard and Mr. and Mrs. Homer F. Cooper, 721 Hedegard.

(Continued on page 2)

On The Line in Campbell

Councilman Charles Rose has been confined to his home all week because of illness. He was stricken while at work and was rushed to the hospital for treatment where he remained for a day. Councilman Rose, who has served as councilman for more than three years, was forced to miss his first council meeting on Monday night.

—o—

Harris C. Kirk, president of American Trust Company, announced this week that the bank's board of directors had declared the usual Christmas bonus of half a month's salary to officers and members of the bank staff.

—o—

Bill Powell, Explorer Scout of Troop 31, Campbell, will be one of the three Explorer Scouts of the county who will represent the conuty council at the World Jubilee Jamboree to be held in Sutton Park, England, from August 1-12, 1957.

—o—

Michael F. Bowles, son of Mr. and Mrs. Max H. Bowles, 681 Elden Drive, Campbell, completed recruit training November 28 at the Marine Corps Recruit Depot, San Diego.

—o—

David C. Polson, son of Mr. and Mrs. Carl W. Polson, 126 N. Harrison, Campbell, was graduated from recruit training December 1 at the Naval Training Center, San Diego.

—o—

Five Campbell High School students have had essays accepted for publication in the Annual Essay Anthology. The five and their essays included, Danny Theobald, "Valley of Grandeur"; Verla Raab, "Work with the Migrant Workers"; Kathee Headley, "Reflections on Peace and Democracy"; Louis Siegel, "My Search for God" and Grace Kubota, "The Silence of the Night".

—o—

Herman Meister, line coach at the University of California, will be guest speaker and will show films of the "Big Game" at the Campbell High School's annual football banquet Thursday, December 13. The banquet will take place at 6:30 p.m. in the high school cafeteria. Both mothers and fathers of the players have been invited with members of the varsity football team as guests of honor.

—o—

Dr. J. Frederic Snyder, Campbell physician and surgeon, has been elected president-elect of the Santa Clara County Medical Society, His term as president will start in December, 1957. Taking office next month as president is Dr. Thomas N. Foster, of San Jose. Mrs. Snyder is a past president of the Medical Society Auxiliary.

CATHEDRAL OF GOD'S GREAT OUTDOORS . . . That is how Herb Shadle, of Campbell, leader in the long struggle to preserve the Butano Forest area in its natural state, describes the timberland that is to become Butano State Park. The top photo gives some idea of the beauty of towering redwoods and ferns that are found in this spot which now will be saved for posterity. In the lower photo Assemblyman Brue Alleen spreads his arms on a trunk of a tree to indicate its size while Herb Shadle looks on.

Planners Hold Hearing Tonight On Post Office

Campbell City Planners at their meeting tonight have five public hearings scheduled, one of which concerns the possible future location of the Campbell post office.

Mr. and Mrs. E. R. Kennedy have applied for a use permit to allow construction of a post office on their property located at North Central Ave. near Grant. If the permit is granted, postal officials then will open negotiations for the possible removal from their present location on Campbell Ave.

Other hearings will be heard on (1) application of Mr. and Mrs. Burt Burda for a change in zone from residential to commercial for property at 60 Mission Way. (2) applicatiion of Albert Frank for a use permit to build and operate an automatic automobile washing business in a commercial zone at Latimer Ave. and Winchester Road. (3) Application of Noel J. Brown for a zone variance to allow use of punch presses up to 50-ton capacity on property located at 49 E. Parr Ave. now in the process of being annexed to the City. (4) amendments to the zoning ordinance (No. 43) regulating signs.

Other business to come before the Planners tonight include the referral back by the City Council

(Continued on page 2)

Council Acts

City Hall Move

City Fathers are pretty sure they will soon have a new roof over their heads and have officially acted accordingly.

Campbell's first City Hall will be ready for occupancy for the next regular meeting of the Council on December 17, the councilmen were assured Monday by W. L. (Bud) Morser, building inspector in charge of the remodeling of the old Congregational Church on Central Ave., purchased by the City.

Acting on this assurance, the City Fathers gave first reading to an ordinance changing the Council's meeting place from the Country Woman's Club to the new hall, The Council at an adjourned meeting next Monday (in the Fire House) adopt the ordinance

Shadle Plays Big Role in Getting Butano for State

Who is Herbert M. Shadle?

That was the question that recently bothered members of the San Mateo County Board of Supervisors. Subsequently the San Francisco newspapers that cover the board's activities had a lot of fun reporting the perplexity of the supervisors over this "mystery" man.

The question of the identity of Shadle arose when the San Mateo supervisors learned that efforts were being made to change the name of Butano Forest, in San Mateo County, to the Herbert M. Shadle State Park. They hadn't heard of the guy before.

Retired Local Druggist

In the meantime, Herb. Shadle, a retired Campbell druggist who resides at 166 Alice Ave., Campbell, and long-time active in local civic affairs, was unaware of the furor he was causing.

The movement to rename the Butano Forest stemmed from action taken by the Santa Clara County Pomona Grange in October when the Grange by a routine resolution asked that the name of the new state park in the Butano Forest be changed to honor Shadle, who had been a diligent worker over the years in the preservation of this virgin tract of redwoods.

Unsolicited Support

In addition, entirely unsolicited on the part of Herb, other communications went forward to the California State Park Commission suggesting that the name of Butano State Park be changed in order to honor Shadle's efforts. In no case, however, did Shadle initiate any of the actions.

Herb was appreciative of the endorsements but in no way encouraged them. He was as much surprised as the San Mateo supervisors to learn that the State Park Commission had even considered changing the name of the forest. His work on its behalf had been a true labor of love and it was enough satisfaction to him to know that his dream of saving the redwoods had finally become a reality.

It is now official, he has been informed much to his relief, that

(Continued on page 2)

Winchester Plan Line Gets Council's Okay

Apparently there will be no changes made by the City Council in the Winchester Road plan line that was first suggested by the city engineer and later approved after months of discussion by the City Planning Commission.

This became evident on Monday when the City Council directed City Attorney Joe Bonacina to draw up the necessary legal papers to make the adoption of the plan-line official. The plan would take land equally from both sides of the street whenever the street is widened. By its adoption it would "freeze" the setback area.

But the Councilmen were not all in agreement over the idea.

Councilman Richard Morton felt that taking land all-off-one side should be considered, pointing out that he was certain that the west side of the street would be developed more in the future than the east side and this fact should be recognized.

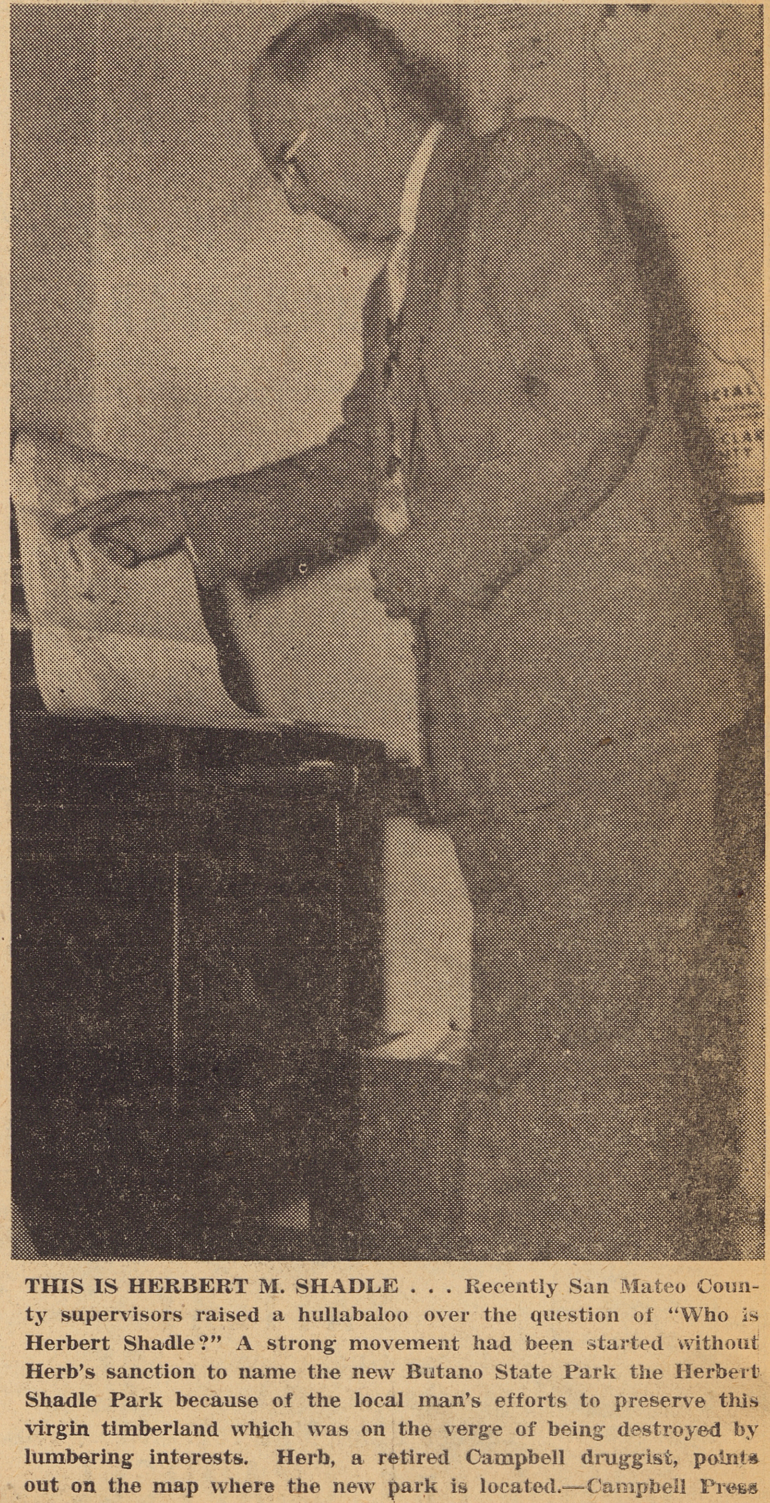
Councilman Myron L. Fairchild, however, led the successful drive to adopt the plan. He urged its adoption because it had been recommended by the engineer and the Planning Commission.

City Engineer Mark Thomas, prior to their action, told the Councilmen that a complete engineering study to determine which plan-line was the most feasible economically would cost $1700.

Councilman Fairchild pointed out that even if such a study could be undertaken that it could easily become out-of-date before the road was widened. He said that the Council should not delay any longer. Councilmen Charles Schmidt and Mayor John M. Chargin voted with Fairchild to adopt the plan-line while Morton voted "no". Councilman Rose was absent due to illness.

UNSECURED TAXES

The City of Campbell has received $2483.77 as Campbell's share of unsecured taxes collected. City Council members couldn't recall receiving such a payment heretofore and though maybe they had been missing something. The county tax collector, will be contacted to find out the score.



THIS IS HERBERT M. SHADLE . . . Recently San Mateo County supervisors raised a hullabaloo over the question of "Who is Herbert Shadle?" A strong movement had been started without Herb's sanction to name the new Butano State Park the Herbert Shadle Park because of the local man's efforts to preserve this virgin timberland which was on the verge of being destroyed by lumbering interests. Herb, a retired Campbell druggist, points out on the map where the new park is located.—Campbell Press photo.

More About
Herb Shadle

(Continued from page 1)

the new state tract will be called Butano State Park. The park commissioners on November 16, voted to leave the name as is but, at the same meeting, expressed their deep appreciation of the Campbell man's efforts in conservation causes.

The state is still in the midst of final negotiations for the purchase of the large body of timber which is to be the heart of the park but all interested are convinced that the negotiations will be successful and the park will become a reality.

But it has been a long pull.

Has Large Part

No one will ever deny that Herb Shadle had a large part in the successful drive that began several years ago when he first became aware of what was happening to the beautiful stand of virgin redwoods on Butano Creek in the mountains between Big Basin Redwoods State Park and La Honda. Santa Cruz Lumber Co., owner of the land at the time, had begun lumbering operations which would in time devestate the stately forest. Santa Clara, San Mateo and San Francisco counties had previously recognized the potentiality of the site and had contributed funds toward its purchase. The State had also alloted money for the purchase of the timberland but the lumber company had put a price on the forest out of reach of the purchasers.

Actually the campaign to save Butano was of 15-years duration but it didn't reach a climax until the loggers moved into it.

Shadle, along with Assemblyman Bruce Allen, of the 29th Assembly District, was instrumental in focusing the attention of state park officials and legislators in the havoc that was being wrought by the lumbering firms in what Shadle once termed "this Cathedral of God's great outdoors".

Active in Civic Affairs

Shadle, whose list of local civic positions since his arrival in Campbell in 1928 is impressive, has served as president of the Campbell Kiwanis Club, president of the Campbell Chamber of Commerce and Master of the Orchard City Grange. It was while chairman of the public affairs committees of both the Kiwanis and Grange that he became concerned over the status of the Butano forest but he had always taken a lively interest in the conserving of the state's forests.

Shadle, after 11 years with the Owl Drug Co. in San Jose, opened his own drugstore in Campbell in 1928 which he operated until 1945 when he retired. Even in retirement he has kept up his interest in civic affairs. Last year he headed the local Cancer Drive and worked tirelessly on the Old Settlers' Day program.

Herb's record in Campbell and his efforts on behalf of Butano may not have warranted changing the almost 100-year old Indian name which means "a meeting place of friendly people" . . . but

Campbell residents hope that by now the San Mateo supervisors know who Herb Shadle is and realize what his unselfish efforts have meant to this community and the state.

He isn't interested in having any park named after him and the remarks of the San Mateo board chairman do not fit this case: The chairman, Tom Cullan, reported to have said, "Somebody's always trying to name a park after some blooming politician."

Speak for yourself, Tom, that ain't our Herb.—G. V.

PRESS CARRIERS SEE FOOTBALL GAME . . . The Campbell Press carriers were guests of La Verne Tacy, circulation manager, at the final football game of the season here on Thanksgiving Day between Los Gatos and Campbell high schools. Prior to the start of the game the carriers were pressed into service to distribute sample copies of The Press in which the pictures of the Campbell High players appeared on the annual football page. Some of the carriers who enjoyed the game are in the above photo. Kneeling from left to right: Ronny Strong, Jimmie Tacy, Jimmie Cory, and Paul Tacy. Standing, left to right: Richard Blain, Freddie Nooteboom, LaVerne Tacy (circulation manager), Gerald Sharpe, and Ronny Sharpe. —Photo by Ken Smith, Cambrian carrier for The Press.

More About
Campbell Manor

(Continued from page 1)

Criticizes News Story

Malone also took exception to the original news story on the proposed annexation that appeared in The Press on November 8. The story reported that letters had been received from six residents asking to join the city. Malone claimed that only three of the six actually were interested in coming into Campbell while the other three were merely seeking information.

He said that the house-to-house survey revealed that only three residents, T. O. Bergstrom, 91 Victor, Fred E. Jones, 70 Amato and L. W. Harmon, 81 Victor, stated a definite desire to join Campbell.

Malone claims that added taxes, lack of sufficient personnel and equipment to properly maintain the streets, insufficient industry to support the tax base, and better protection from the county fire department as reasons why the residents were opposing the annexation move.

An "Island" For Sure

He suggeste that the entire Campbell Manor tract be excluded from the proposal and thus allow the annexation of the remaining portion which consists of approximately 100 acres.

If this procedure is followed, the Campbell Manor would be "sealed off" completely and would become an "island" surrounded by the City of Campbell on all four sides.

How The Campbell Press feels about these "islands" will be found in an editorial in this issue on the editorial page.

COSTS $13,887.80

Mark E. Thomas, city engineer, reported to the Council Monday that the resurfacing of Winchester Road cost $13,887.80. The Council voted to accept the job.

Each cantilever span of the new San Rafael-Richmond Bridge has 1000 feet of horizontal clearance.

More About
Planners Hold

(Continued from page 1)

to the City Planning Commission of the zone change of property at Union and Campbell Ave. The Planners had recommended previously that this be zoned C-2-S. The Council feels it should be C-1-S.

Nestor Barrett is also slated to report tonight on the establishment of an entirely new type of industrial zoning to accommodate electronic industries and other special operations.

A committee to work with the city attorney on the modification of the required front yard setback is also expected to be appointed.

The Commission will adjourn its meeting tonight until the following Thursday, December 13.

SWEEPER SWEEPS MORE

Campbell's street sweeping service will be extended two blocks down Winchester Road to accommodate the firms in the Campbell and Garrison shopping centers, the Council ruled Monday.

Deadlock Almost Stalls Paint Job

A deadlocked 2-2 vote by the City Council Monday night (Councilman Charles Rose was absent due to illness) almost put the stop light to the current traffic safety program of the Rotary Club.

The Rotarians by letter asked permission to stencil the city sidewalks with warning to the pedestrians. Councilman Richard Morton, while agreeing that the program was commendable, wanted to protect the city from such exigencies as people falling over the paint cans or slipping on wet paint. In his motion that permission be granted he added the rider that the club should exempt the city from liability for any such accidents that might occur. Councilman Charles Schmidt seconded the motion.

Both Councilmen Myron Fairchild and Mayor John M. Chargin felt that such a rider was unnecessary and voted against the motion.

Morton then moved that permission be granted sans rider. The motion was carried unanimously.

Kiwanis Club Hears CUHS Choir

Frank Triena directed Campbell Union High School a cappella choir when they appeared before the Kiwanis Club at their meeting last Tuesday. Sam Reed was chairman for the day.

The Club will be luncheon hosts next Tuesday to the Campbell City Council and Campbell and Camden high school students who will take part in "Junior Citizens' Day".

Members of the club's Underprivileged Child Committee are busy gathering good, usable clothing and toys for children to be used for assembing Christmas gifts for five needy and deserving Campbell families. They are also accepting gifts of food and cash, with Steve Goodman in charge of the drive.

"MISSING" IS HARMFUL

If your car has a cylinder that's "missing" remember that that "missing" is somewhat harmful to your car. Irregular running or operating out of balance, points out the National Automobile Club, will put an extra strain on all operating parts of your car.

Saratoga Kiwanis Hears of Gideons

Jack Hutchins, retired automobile sales executive, was guest speaker at last week's Saratoga Kiwanis meeting when he described the work of the Gideon Society in distributing Bible and Testaments to school children, hotels, and many other public places, and gave examples of some of the outstanding successes in the society's work.

Today's program will include the story of color TV when Pete Peterson from Len Scarpelli Television will be guest speaker. J. R. Morgan, Camden High's football coach, will be chairman.

City Follows District 4 In Hiking Sewer Charges

To conform with the new rate adopted by Sanitation District No. 4, the City Council Monday acted to raise the sewer service charge in Campbell from 40 cents to $1.10. The increase covers the increased costs of maintenance and use of San Jose's sewage treatment plant.

The Council gave first reading to that ordinance on Monday and will pass it at its adjourned meeting next Monday December 10 at the fire house. At this meeting students of the Campbell High School will also meet with the City Council as part of the Juniors' Citizens Day. The students will take over city positions for a day.

Tax Office Opens Saturday - for You

As December 10 is the deadline for payment of the first 1956-57 tax installment, the office of County Tax Collector Roy P. Emerson, will be open Saturday, December 8, until noon for the convenience of taxpayers.

Ordinarily the office, along with all other county offices is closed on Saturdays.

Failure to pay by December 10 will subject the taxpayer to a 6 percent penalty, Emerson pointed out.

Payments sent by mail instead of being made in person must be postmarked before 5:00 p.m. December 10 in order to avoid the additional 6 per cent penalty.

County Tax Collector to Get SP Check for $269,409

Roy P. Emerson, Santa Clara County's tax collector, will receive a check for $269,409 from Southern Pacific this week.

The payment is the first installment on the railroad's 1956-57 county tax bill of $524,920, according to F. B. Magruder, SP's tax commissioner. That total reflects an increase of $110,942, or 27 per cent from last year, he added.

LEGAL NOTICE

RESOLUTION NO. 12796

RESOLUTION OF THE COUNCIL OF THE CITY OF SAN JOSE GIVING NOTICE OF THE PROPOSED ANNEXATION OF CERTAIN UNINHABITED TERRITORY TO SAID CITY; DESCRIBING SAID TERRITORY AND DESIGNATING IT BY THE NAME EL QUITO PARK NO. 4; MAKING CERTAIN FINDINGS RESPECTING SAID PROPOSAL; AND GIVING NOTICE OF TIME AND PLACE SAID COUNCIL WILL HEAR PROTESTS THERETO.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF SAN JOSE:

WHEREAS, on the 19th day of November, 1956, there was filed with the Council of the City of San Jose a petition requesting the annexation to the City of San Jose of all the territory hereinafter described; and

WHEREAS, this Council has received evidence showing that, and finds that, a written description of the proposal to annex said territory to the City of San Jose was filed with the Secretary of the Boundary Commission of Santa Clara County, California, on October 30, 1956, and that said Boundary Commission has prepared, or caused to be prepared, a report to the proponents of said annexation upon said annexation proposal, all as required by law, and that said Boundary Commission has approved the boundaries of said proposed annexation; and has received evidence showing, and finds that the above mentioned petition was not circulated, signed or filed with this Council until after said Commission had made, or caused to be made, said report and had approved said boundaries; and

WHEREAS, this Council further has received evidence showing, and finds:

(1) That said territory is situate immediately adjacent to and touches and is contiguous to the boundaries of the City of San Jose; and

(2) That less than twelve registered voters resided within said territory at the time the above mentioned petition was filed with this Council, and that said territory is therefore uninhabited; and

(3) That said petition is signed by owners of not less than one-fourth of the land in said territory by area, and by assessed value as shown on the last equalized assessment roll of the County of Santa Clara, California, in which said County such territory is situated;

NOW, THEREFORE:

1. NOTICE IS HEREBY GIVEN that, pursuant to the provisions of the Annexation of Uninhabited Territory Act of 1939, a petition signed by owners of not less than one-fourth of the land in the hereinafter described territory by area, and by assessed value as shown on the last equalized assessment roll of the County of Santa Clara, California, requesting annexation of the hereinafter described territory to said City of San Jose as uninhabited territory pursuant to the provisions of the Annexation of Uninhabited Territory Act of 1939 of the State of California, was filed with the Council of the City of San Jose on November 19, 1956;

2. NOTICE IS HEREBY GIVEN that Wednesday, January 2, 1957, at the hour of 8:00 o'clock P. M., of said day, in the Council Chambers of the Council of the City of San Jose in the City Hall of said City of San Jose, Santa Clara County, California, is the time and place this Council of the City of San Jose will hear protests made by any person owning real property within the territory, hereinafter designated and described, proposed to be annexed to the City of San Jose. At any time before the hour set for hearing objections any owner of property within the territory proposed to be annexed to the City of San Jose may file written protest against the annexation. Said written protest shall state the name of the owner of the property affected and the description and area of the said property in general terms. At the time set for hearing protests, or to which the hearing may be continued, said Council shall hear and pass upon all protests so made.

3. The City Clerk of the City of San Jose is hereby directed to cause a copy of this resolution to be published in the San Jose News, a newspaper of general circulation in the City of San Jose, and in the Campbell Press, a newspaper of general circulation published outside the City of San Jose but within the County of Santa Clara, California, in the manner and time and as required by law, and to cause written notice of the proposed annexation to be mailed to all persons or bodies to whom such notice is required to be mailed by law, in the manner and within the time required by law.

4. The territory proposed to be annexed to the City of San Jose and hereinafter described is hereby designated El Quito Park No. 4.

5. The above said territory proposed to be annexed to the City of San Jose is hereby described as all that territory situate in the County of Santa Clara, State of California, bounded and more fully described as follows:

EL QUITO PARK NO. 4

Beginning at the point of intersection of the Westerly prolongation of the Southerly line of that certain 36.7 acre parcel of land described in the deed from Laura E. Fellows, a widow, to William B. Pabst, Trustee, and San Jose National Bank, a National Banking Association, dated August 12, 1931 and recorded August 14, 1931 and recorded in the Office of the County Recorder of Santa Clara County, California, in Book 574 of Official Records, at page 588, records of Santa Clara County, with the center line of Quito Road; thence Easterly along the said Westerly prolongation of said Southerly line of said 36.7 acre parcel to the Easterly line of said Quito Road; thence continuing Easterly along the said Southerly line of said 36.7 acre parcel and continuing Easterly along the Easterly prolongation of said Southerly line of said 36.7 acre parcel to the Northeasterly line of Campbell Avenue, in the City Limits line of the City of San Jose; thence Northwesterly along the said Northeasterly line of said Campbell Avenue, said Northeasterly line of said Campbell Avenue being in the City Limits line of the City of San Jose, to where said Northeasterly line of said Campbell Avenue meets the Southeasterly line of Saratoga Avenue; thence Northeasterly along the said Southeasterly line of said Saratoga Avenue, said Southeasterly line of Saratoga Avenue being in the City Limits line of the City of San Jose, to where said Southeasterly line of said Saratoga Avenue meets the Easterly prolongation of the Northerly line of Prospect Road; thence Westerly along the said Easterly prolongation of the Northerly line of said Prospect Road, said Easterly prolongation of said Northerly line of Prospect Road being in the City Limits line of the City of San Jose, to the intersection of said Easterly prolongation of the Northerly line of said Prospect Road, with the center line of said Saratoga Avenue; thence Southwesterly along the said center line of Saratoga Avenue, said center line of Saratoga Avenue being in the City Limits line of the City of San Jose, to its intersection with the Northerly prolongation of the center line of said Quito Road; thence Southerly along the said center line of said Quito Road to the point of beginning.

ADOPTED this 19th day of November, 1956, by the following vote:

AYES: Councilmen: Delmas, Hathaway, Moore, Solari, Starbird, Watson and Doerr.

NOES: Councilmen: None.

ABSENT: Councilmen: None.

Truck Operators Get Notice of '57 Vehicle Fees

The Department of Motor Vehicles has mailed over 1,100,000 commercial truck and trailer fee statements alerting owners to renew their registrations between now and midnight of February 4, 1957.

Reminder notices to private passenger car and motorcycle owners will not be mailed until December 26, Motor Vehicles Director Paul Mason reported. General renewal dates for these vehicles extend from January 2 through February 4, 1957.

Commercial vehicles will retain their 1956 plates. Renewal will be indicated by a reflectorized red sticker to be attached to the rear plate only.

Mason asks all applicants for renewal to fill in the right hand stub of the pre-punched fee statement with name and correct address.

Owners of commercial vehicles registered on the quarterly basis for installment payment of weight fees will not receive prepared fee statements. To renew for 1957 on the same basis, they are required to apply for their special stickers on or before January 5, 1957.

San Francisco's Jones Street between Union and Filbert has a 29 per cent gradient.

LEGAL NOTICE

ORDINANCE NO. 9

AN ORDINANCE AMENDING ORDINANCE NO. 2 OF COUNTY SANITATION DISTRICT NO. 4 OF SANTA CLARA COUNTY, STATE OF CALIFORNIA

The District Board of County Sanitation District No. 4 of Santa Clara County, California, does ordain as follows:

SECTION 1:

Section 5.01 of Ordinance No. 2 of County Sanitation District No. 4, regularly passed and duly adopted the 24th day of October, 1951, is hereby amended to read as follows:

SEWER RENTAL CHARGES.

There is hereby levied and assessed upon each premise having any sewer connection available with the sewerage system of said County Sanitation District No. 4 or who are discharging sewage which ultimately passes through the sewerage system of said County Sanitation District No. 4, a service charge payable at the time and in the amount as hereinafter provided, except, however, that said service charge shall not be payable by any premise which lies either within the territorial limits of the Town of Los Gatos, or that portion of the City of Campbell which comprises the former Campbell Sanitary District, or that portion of the City of Saratoga which comprises the former Saratoga Sanitary District; the service charges for such premises shall be specified by agreement between said County Sanitation District No. 4 and said Town or City.

(a) Residential.

(1) For each single family dwelling, a charge of One and 10/100 Dollars ($1.10) per month.

(2) For each unit of a trailer court, duplex, apartment, court, lodging house, boarding house, or hotel, a charge of eighty cents ($.80) per unit per month.

The owners of the establishments set forth in sub-paragraph (2) may avail themselves of the charges set forth under Paragraph (b)—COMMERCIAL—immediately following, by the submission of evidence to the District Manager of the monthly use of water based upon the annual use of water by each establishment herein listed.

(b) Commercial

For each unit of an office or commercial building where such unit is provided with sanitary facilities, including wash basin and sink, and for each commercial establishment, restaurant bar, ice cream parlor, movie, laundry, hospital or industry not disposing of industrial waste, a service charge to be determined by the District Manager in accordance with the annual use of water by the entire establishment reduced to a monthly average as follows:

(1) First 1,000 cubic feet per month (minimum charge)
.... $1.10 per month
All over 1,000 cubic feet per month .... $0.15 per month per 100 cubic feet or fraction thereof.

(c) Industrial.

For each industry, commercial packing plant, or similar establishment, a service charge to be determined by the District Manager in accordance with the use of water by the establishment during a normal operating period reduced to a monthly average for that period, with allowances for water not reaching the sewer, as follows:

(1) First 2,000 cubic feet per month (minimum charge)
........................$2.25 per month
All over 2,000 cubic feet per month .... $0.15 per month per 100 cubic feet or fraction thereof.

Provided, however, that should the quality of such discharge be of such character that, in the opinion of the District Manager, this discharge shall impose a more than normal maintenance burden on the sewerage system, the industry contributing such waste shall pay a service charge to be determined by the District Board in accordance with a schedule of rates to be established therefor.

(d) Schools

For elementary schools, an annual charge based upon the average daily attendance during the school year of thirty-five cents ($0.35) per average daily attendance, and for high schools an annual charge based upon the average daily attendance during the school year, including night and adult classes, of fifty cents ($0.50) per average daily attendance.

(e) Premises Sewered to Incorporated Areas.

The service charge upon each premise lying outside either

(1) the territorial limits of the Town of Los Gatos, which premise is sewered into the Town's sewer which ultimately connects to the County Sanitation District's Unit No. V Trunk Sewer at its terminus on Roberts Road; or

(2) that portion of the City of Campbell which comprises the former Campbell Sanitary District and which premise is sewered into said portion of the City of Campbell; or

(3) that portion of the City of Saratoga which comprises the former Saratoga Sanitary District and which premise is sewered into said portion of the City of Saratoga,

shall be in the amount as though said premise were actually within the territorial limits of said Town or City. Application for a sewer connection for a premise outside said Town or City which is to be connected to said Town or City shall be made directly to the Board of Directors of County Sanitation No. 4 of Santa Clara County, and the connection and inspection fees and service charges as are determined by the Town or City shall be payable to the Town or City.

(f) Premises Outside District Boundaries.

For each connection of a premise outside the territorial limits of the District, there is hereby levied and assessed upon each such premise having a sewer connection with the sewerage system of District, or which is discharging sewage which ultimately passes through the sewerage system of District, a charge which shall be determined by the Board of Directors at the time of application for sewer service by the owner of said premises.

DEFINITION OF "UNIT".

For the purpose of this Ordinance, the term "unit" is hereby defined as relating to the number of individual occupancies rather than to the number of units of plumbing fixtures.

SECTION 2:

Section 2 of Ordinance No. 3 of County Sanitation District No. 4 of Santa Clara County, regularly passed and duly adopted the 9th day of January, 1952, is hereby repealed.

SECTION 3:

This Ordinance shall be in full force and effect on and after the 1st day of January, 1957, and before the expiration of fifteen (15) days after its passage, it shall be published once with the names of the members voting for and against said Ordinance in the Campbell Press, a newspaper published in the Sanitation District and which newspaper this Board deems most likely to give notice to the inhabitants of said Sanitation District.

PASSED AND ADOPTED by the Board of Directors of County Sanitation District No. 4 of Santa Clara County, State of California, this 28th day of November, 1956, by the following vote:

AYES: Directors, Brazil, Merrill, Morton, Rebeiro, Slaght, Starbird.

NOES: Directors, None

ABSENT: Directors, None

ORAN L. SLAGHT
Chairman of the Board of Directors of County Sanitation District No. 4 of Santa Clara County, State of California.

COUNTERSIGNED:
RICHARD OLSON
Secretary of said Board.

Season Review Sees Campbell 5-2-2

By Mike Profit

Thanksgiving's 28-6 conquest of Los Gatos the Campbell High Varsity closed out the 1956 football season with a 5-2-2 record, which, although respectable enough, was a disappointing season for a team which had the potential to win the championship.

The season started well enough with a 14-0 win over Lincoln. In this game the Bucs, although they looked ragged in spots and did not put together a very sustained drive, served notice that they would not be the pushovers the experts had picked them to be.

The following week brought the Santa Clara game, and the ultimate 0-0 tie which soon was to be the backbreaker in the Campbell bid for the title. Both teams played well, but the Bucs contributed to their own downfall when they got the ball on the Panther 12-yd. line and failed to score. Campbell received its first and last break of the season in that game as a Santa Clara end took a pass in the clear and still failed to score, because he slipped and fell on the nine.

The next game saw the Bold Buccaneers get back into the win column with an easy 27-19 win over Washington, and finally put together a good sustained drive doing it.

Then began the roughest three weeks of the season, with Willow Glen, Mountain View and Fremont on successive Fridays.

The Willow Glen game was one of the two games during the entire season when the Bucs played together all the way. The end result was a 26-0 win and a brilliant performance by the Buc line which completely outplayed the heavier Ram forwards.

Then followed the night that Campbell would most like to forget, as the Marauders of Coach swamping from Mountain View, and looked as inept as a grammar school team against Oklahoma in doing it. Campbell could do nothing right that week and returned home a much sadder and a much wiser team.

Fremont's Indians bore the brunt of Bucceneer revenge the next week and were lucky to escape with a 12-12 tie which was helped along by some of the most questionable officiating seen this season.

A 19-12 win over San Jose in a very sloppily played game filled the next week and brought the Bucs up to the James Lick enconuter.

The Comets needed a win for a share of the title and got it right over the often-prostrate bodies of the varsity's battered veterans who gave Lick two touchdowns and then failed to keep pace with enough of their own.

BLOOD "EXPANDERS" and albumin—a plasma derivative—stored in the Federal Civil Defense Administration's stockpiles would be indispensable after a large attack to supplement limited supplies of whole blood for millions of casualties in first aid stations such as above. For example, 5,000,000 casualties would require an estimated 7,500,000 pints of whole blood, 2,000,000 bottles of albumin and 5,500,000 bottles of blood "expanders" during the first three weeks after attack. By mid-1957, FCDA expects to have enough blood derivatives and plasma volume "expanders" stored to provide for 4¼ million casualties.

LEGAL NOTICE

RESOLUTION NO. 338

BEING A RESOLUTION AND NOTICE OF INTENTION TO ANNEX CERTAIN UNINHABITED TERRITORY CONTIGUOUS TO CITY OF CAMPBELL, DESIGNATED AS CAMPBELL ANNEXATION 1956-7, AND FIXING THE TIME AND PLACE OF HEARING, PURSUANT TO PROVISIONS OF ANNEXATION OF UNINHABITED TERRITORY ACT OF 1939 AS AMENDED.

WHEREAS, the City Council of City of Campbell has received a written petition from the owners of not less than one-fourth (1/4) of the area and of the assessed value of certain contiguous uninhabited territory, according to the last preceding equalized assessment roll of the County of Santa Clara, State of California, in which such territory is situate; and

WHEREAS, said petition requests the annexation of said uninhabited territory as defined in the Government Code of California, to the City of Campbell, a municipal corporation; and

WHEREAS, the proposal for the annexation of said uninhabited territory to the City of Campbell has been submitted to the Boundary Commission of the County of Santa Clara, State of California, and that the boundaries thereof have been approved and certified as to their correctness by said Boundary Commission,

WHEREAS, the City Counci finds and determines that it is for the best interest and general welfare of the people of the City of Campbell that said property referred to and hereinafter particularly described, be annexed to the City of Campbell; and

WHEREAS, the City Council desires to designate said annexation as Campbell Annexation 1956-7 as the appropriate name by which said annexation shall hereafter be referred; and

WHEREAS, the City Council desires to annex the said territory to the City of Campbell, California; and

WHEREAS, there has been compliance with all other statutory requirements provided by the "Annexation of Uninhabited Territory Act of 1939", as amended,

NOW, THEREFORE, BE IT RESOLVED by the City Council of City of Campbell that it is its intention to annex to said City pursuant to the provisions of the Annexation of Uninhabited Territory Act of 1939, as amended, the territory commonly known and designated herein as Campbell Annexation 1956-7, the boundaries of which are more particularly described as follows:

Beginning at a point at the intersection of the southeasterly liine of the lands of the Southern Pacific Company with the northeasterly line of East Parr Avenue, 50 feet wide, as shown lying along the southwesterly line of Lot 10 of the subdivision of Mrs. W. J. Parr Tract, a map of which is filed for record in Book "E" of Maps, page 63, Santa Clara County Records; thence southeasterly along the northeasterly line of said East Parr Avenue, 50 feet wide, said line being also a southeasterly line of City of Campbell, to the intersection thereof with a line parallel with and 205.00 feet perpendicular distant southeasterly from the said southeasterly line of lands of the Southern Pacific Company; thence northeasterly along said parallel line measured 205.00 feet perpendicular distant southeasterly from the said southeasterly line of lands of the Southern Pacific Company to the intersection thereof with the northeasterly line of that certain tract of land conveyed to Frank Spadafore, et ux, by Deed recorded in Book 716, Official Records, page 489. Santa Clara County Records; thence southeasterly along the northeasterly line of said tract of land conveyed to Frank Spadafore, et ux, to the most easterly corner thereof, said corner being also on the northwesterly line of Lot 8 of said W. J. Parr Tract; thence northeasterly along the northwesterly line of said Lot 8 to the most northerly corner thereof; thence southeasterly along the northeasterly line of said Lot 8 to the most easterly corner thereof; thence southwesterly along the southeasterly line of said Lot 8 and along the southeasterly line of that certain tract of land conveyed to Cascade Research Corporation by Deed recorded in Book 3487, Official Records, page 162, Santa Clara County Records, to the most southerly corner of said tract of land conveyed to Cascade Research Corporation; thence northwesterly along the southwesterly line of said tract of land conveyed to Cascade Research Corporation to the most westerly corner thereof; thence northeasterly along the northwesterly line of said tract of land conveyed to Cascade Research Corporation and the northeasterly prolongation thereof to the point of beginning.

BE IT FURTHER RESOLVED, AND NOTICE IS HEREBY GIVEN, that Monday, the 14th day of January, 1957, at 8:30 p.m. of said day at the Council Chambers of City of Campbell in the City Hall, 75 North Central Avenue in City of Campbell, are hereby fixed as the time and place for the hearing of written protests and objections to the said proposed annexation, which said protests shall state the names of all the owners of the property affected, and the description and area of the property in general terms.

BE IT FURTHER RESOLVED that a copy of the Resolution and Notice be published once a week for two successive weeks in the Campbell Press, a newspaper of general circulation, published in said City, and once a week for two successive weeks, in the Los Gatos Daily Times-Saratoga Observer, a newspaper of general circulation, published in the County of Santa Clara, California, and that the City Clerk forthwith mail a written notice of the proposed annexation to each person to whom land within the territory proposed to be annexed is assessed in the last equalized county assessment roll or as known to said Clerk and to any person who has filed his name and address of the lands in which he has any interest, either legal or equitable with said Clerk.

PASSED AND ADOPTED this 3rd day of December, 1956, by the following vote:

AYES: Councilmen: Fairchild, Morton, Schmidt, Chargin

PREVENTS FROSTING

When an automobile is parked outdoors at night in freezing weather, the windshield is often covered with ice in the morning. An easy way to avoid this, says the California State Automobile Association, is to place large flexible cards under the windshield wipers. These are easily removed in the morning leaving the windshiled clear and bright.

Rotarians Hear Talk on Salk

Representing Eli Lilly Pharmaceuticals, Phil Salituri spoke at the Campbell Rotary Club luncheon last Monday on development of Salk polio vaccine.

In discussing effectiveness of the vaccine, Salituri related that results of a recent survey in a given area disclosed that where persons had received all three prescribed shots, not one case of polio had developed. He stated that the first shot gives approximately 60 per cent immunity to the disease, the second shot approximately 70 to 80 per cent and the third shot was more or less a booster shot.

California raises one-fourth of the nation's vegetables.

SECTIONAL DISTRICT MAP
ZONING MAP OF THE CITY OF CAMPBELL,
COUNTY OF SANTA CLARA, STATE OF CALIFORNIA.

THIS MAP CONSTITUTES SECTIONAL DISTRICT NO. 28 OF THE ZONING MAP OF THE CITY OF CAMPBELL, COUNTY OF SANTA CLARA, STATE OF CALIFORNIA. THIS MAP CORRESPONDS TO THE INDEX MAP OF SECTIONAL DISTRICT MAPS AND AMENDS SECTION 19:84 OF ORDINANCE NO. 43 OF THE CITY OF CAMPBELL BY ADDING THERETO A NEW SECTIONAL DISTRICT MAP TO BE DESIGNATED AS NO. 28.

NOTE:
Denotes District Boundary as defined in Section 19:62 and 19:63 of Ordinance NO. 43, as amended, of the City of Campbell.

INDEX MAP
TO SECTIONAL DISTRICT MAPS OF THE ZONING MAP OF THE CITY OF CAMPBELL, COUNTY OF SANTA CLARA, STATE OF CALIFORNIA.

This map amends Section 19:84 of Ordinance No. 43 of the City of Campbell, California by adding Sectional District No. 28 to the Index Map to Sectional District Maps of the Zoning Map of the City of Campbell, California.

Denotes Index Map Boundary

We hereby Certify that the City Planning Commission of the City of Campbell, County of Santa Clara, State of California did on the 17th day of Oct. 1956, adopt by resolution this Sectional District Map of the Zoning Map of the City of Campbell, County of Santa Clara, State of California.

Chairman
Secretary

We hereby Certify that the City Council of the City of Campbell, County of Santa Clara, State of California did adopt this Sectional District Map and accompanying Index Map as a part of Ordinance NO. 116 of said City on the 3 day of Dec. 1956.

Mayor
City Clerk

CHP Plans Drive In State Against Drunk Driving

Enforcement and education action against drunk driving is planned for December by the California Highway Patrol and the State Department of Alcoholic Beverage Control according to information released today by these agencies.

"December is the peak month for traffic violations and accidents involving the drunk driver," declared Patrol Commissioner B. R. Caldwell. "To help meet this situation we are joining ABC in a united drive to curtail the accident causing activities of the drinking driver."

"ABC enforcement personnel will work closely with the Highway Patrol and other traffic enforcement agencies in a professional approach to the drinking driver problem," stated ABC Director Russell S. Monroe. "Coordination between enforcement agencies should be effective and reflect improvement in the December traffic toll."

Caldwell and Munro agreed the drunk driver has no place on our streets and highways and pledged a strong enforcement and education program during December against the incidents of drunk driving.

"Don't Die, Drive Dry" is the slogan to be stressed in December through the use of posters and other material to be released by enforcement agencies, local safety councils, military groups and civic organizations cooperating in the program.

Man, 21, with Gun Murders Woman, Wounds Local Man

A 21-year old Campbell man drove up a mountain road to the Almaden reservoir Tuesday morning and forced a salesman's car off the road and fired seven bullets into him, then he fired five more bullets into a woman who had had stopped in puzzlement at the scene.

The salesman (coincidentally another Campbell resident) is Fred B. Hanson, 32, of 4616 Elester Drive, Campbell. At press time he was reported as "improved over yesterday," and described as being in "fair" condition at O'Connor Hospital.

The woman was killed. She was Mrs. Dorothy Minkel, 58, of 23760 Alamitos, San Jose.

The man, Elmer Junior Hatton, 1118 Holmes Ave., Campbell, walked into the County Sheriff's Office with his father, a retired Army major, and confessed.

He told police that he didn't know why he did it.

RAIN DROPS! !

For the first time in some five weeks rain began to patter down in this area on Tuesday and continued off and on through Wednesday. It had been so long coming that some residents had almost forgotten that that wet stuff really existed. Then again when it continued to come down, other residents began to worry whether last year's drenching was going to repeat itself. (The weatherman just can't win.) Anyway by 5 p.m. Wednesday, .38 inches had fallen bringing a total of 1.50 for the season. Normal for this time of year is 3.25 inches. Last year's total by the way, was 21.15 inches and to date last year 1.16 inches.

Chamber Appoints Warren to Board

Gentry R. Warren, general manager of the Bay Area Credit Service, 301 E. Campbell Ave., was named to the Board of Directors of the Campbell Chamber of Commerce on Tuesday night. The vacancy on the board was created by the resignation of Robert Curry, who has moved to Lake Tahoe.

The directors also voted to hold the annual dinner meeting of the Chamber on Tuesday, January 8. Dutch Hamman, city manager of San Jose, will be the speaker for the evening. His talk will explain what San Jose is doing and plans on doing in the way of expansion and how such plans will affect Campbell.

County Receives $179,000 from State Road Users Tax

Santa Clara County will receive $179,000 as its share of the $6,452,980 highway users tax fund apportioned by the State to each of the 58 counties in November, the County board of supervisors learned this week.

Net highway users taxes for October amounted to more than $28 million. They were apportioned in November as follows: state highway fund for cities, $2,621,200; counties $6,452,980; and state highway fund for highways, $19,050,985.

The total apportionment is an increase of $1,760,505, or 6.68 per cent, over the distribution for the preceding month, and an increase of $1,829,212 over the total apportionment for the same period last year, according to Robert Kirkwood, State controller.

Gross gasoline tax collections for October amounted to $26,344,119—an increase of $1,386,717 over collections for the preceding month, and an increase of $1,328,685 over the same month in 1955.

Deductions were made from the gross tax figure in the form of $1,906,530 in refunds to non-highway users; $37,699 for administrative expenses; and $29,167 for a reserve

CARE AIDS HUNGARIANS

CARE is now sending food into Hungary for her freedom fighters and is stepping up its operations for the 80,000 refugees in Austria, the agency revealed this week.

A real need for food and blankets is arising in Austria, according to CARE representative on the spot. Those willing to contribute to the effort are asked to send contributions to CARE, San Francisco 11, or to the local CARE

County Boundary Board OK's Five Areas for City

Activity on both the annexation and building fronts for the City of Campbell picked up speed this week.

Five proposed annexations by the City of Campbell representing the largest chunks to be added to the City since its incorporation received the blessing of the County Boundary Commission this week. In addition, the City Council set January 14 as the hearing date for rezoning an industrial area recently annexed to City on the south and granted approval for a new 39-residential lot subdivision on the north.

Four of the five annexations approved by the Boundary Commission are in the area south of the city limits between Winchester Road and the Los Gatos Creek. They consume most of the land from the lower loop of E. Parr Ave. north to the city limits in the vicinity of Casey Road.

Largest land owner involved is Mrs. W. J. Parr. Among the other property owners in the section are Max M. Kenney, John T. Ambrose, Roy Ichiro Iseri, J. M. Dahl, Lillian Erickson, and Tony Freitas. These annexations are titled 1956-8 through 11.

Sam Cava, secretary-manager of the Campbell Chamber of Commerce, told the City Council that he had seen personally almost all the property owners involved and obtained agreement signatures from them.

The other annexation, 1956-12 takes in three lots south of Sheffield Ave. and west of Leigh Ave.

The new subdivision, named "Shadowbrook", given approval by the City Council will be developed by Stone and Schulte, well known real estate operators. It lies north of Hamilton Ave. between Dutard and David avenues and it was formerly the Rose ranch. The developers plan to put in the improvements immediately and presented the necessary deposits with the city.

'Time Out' at The City Hall

When time was called by the City Council Monday it put the refrain "Time on My Hands" well on its way to becoming tops on the local hit parade, at least as far as Bud Morser, building inspector, was concerned anyway.

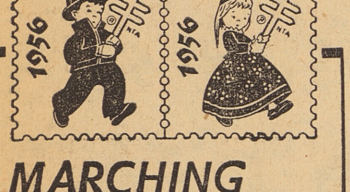
He asked the Council members at the council meeting to choose the type of clock they wanted to go on the spot on the wall that had been prepared for it in the new council chambers.

But the Council nixed the idea figuring it was a luxury item that they could well forego at this time. Besides in light of the way meetings had been going a good calendar was more in keeping.

The though was expressed by some of the more practical members of the Council that perhaps some civic organization might want to donate a wall clock. They implied that such a timely offering would be gratefully received.

For the time being, however, taxpayers can be assured that there will be no "clock watchers" at the City Hall.

There just ain't no clock to watch.



MARCHING FORWARD . . .

Last Rites Today For Chris Jensen

Services will be held at 2 p.m. today from Campbell Memorial Chapel for Chris E. Jensen, 71, who passed away in a San Jose Hospital last Tuesday, after a brief illness.

A native of Denmark, he came to this country around the turn of the century, and after living in many parts of this country, engaging in various occupations, he settled in Campbell in 1919 and was a poultry rancher and in the wholesale egg business until his retirement ten years ago. He made his home at 338 West Rincon in Campbell.

He leaves his wife, Elsa, of Campbell and a stepdaughter, Miss Elsa Fetsch, besides several brothers in Denmark.

Interment at Oak Hill Memorial Park will follow last rites.

The Hawaiian Islands and adjacent islets are scattered over an area extending nearly 2000 miles in length and 150 miles wide.

The trunk turtle may attain a length of seven feet and a weight of 1500 pounds.

Money from all over the world circulated in San Francisco during Gold Rush days.

SECOND SECTION

CAMPBELL AREA

Women

REACH GOLDEN MILESTONE . . . Friends and relatives of Mr. and Mrs. T. A. Robinson gathered at the new Congregational Church in Campbell on November 24, to honor the couple on their golden wedding anniversary. The Robinson's are long-time Campbell residents.

T. A. Robinsons, Wed Fifty Years, Honored at Church Reception Here

That important milestone in married life, their golden wedding anniversary, was reached by Mr. and Mrs. Thomas Arthur Robinson at Campbell on Saturday, November 24.

To help them celebrate, their family of five children and seven grandchildren were joined by a group of close friends in arranging a reception in the Fireside Room of the Congregational Church in Campbell.

Particularly well chosen for such a happy occasion, was this large room in the newly completed church, with its friendly, informal atmosphere and wide hearthstone. Upon the mantel over the fireplace before which the honored couple received warm congratulations, was an arrangement of fifty golden chrysanthemums, one for each year along the way, while about the room, bronze and gold chrysanthemums were placed in large informal bouquets and arranged informally on the tea table in crystal bowls. Robert Scholz of Campbell contributed the fifty golden chrysanthemums arranged on the mantel.

For her golden wedding reception, the bride of fifty years ago chose an afternoon dress of softly draped blue-gray faille. Upon it she pinned a corsage of orchids and complemented it with pearl earrings and necklace. Her bridegroom wore a gold-colored carnation in his lapel.

Married in Santa Clara, the former Miss Elena McCoughey and her new husband moved to Campbell shortly afterwards.

In those fifty years, Mr. and Mrs. Robinson became permanently identified with Campbell—its civic, social and fraternal life—making and keeping a wide circle of friends and raising their family. These include Mr. and Mrs. Bill Robinson, Mr. and Mrs. Richard Robinson, Mr. and Mrs. Fred Coffin, Mrs. Helen Robinson Parker and Mr. and Mrs. "Bert" Robinson. Grandchildren are Bill and Keith Coffin, Garth, Tommy and Henry Parker and Kathleen and David Robinson.

At three o'clock Saturday afternoon, Miss Kathleen and Master David presented their grandparents with a golden box filled with gold foil-wrapped silver dollars, on behalf of the family and close friends of the couple.

Earlier inth eafternoon the honored couple cut their wedding cake at the tea table where their two daughters, Eva and Helen, served tea and coffee. Covered with a white linen cloth embroidered in cut work design, the tea table was lighted by gold-colored candles in crystal holders.

In charge of the guest book, Mrs. Fred Jones greeted arriving friends, while Mmes W. L. Bachman, J. H. Bachman, J. C. Agostinho, Wilbur Mitchell, Anna Hedegard, Ralph Gardner and Bert Robinson kept the coffee and tea urns filled

Following the reception, Mr. and Mrs. Bert Robinson were hosts to the family at an informal buffet supper at their home in Campbell.

Is not that the truest gratitude which strives to widen the horizon of human happiness which has gladdened us?

There are two science museums in San Francisco—the California Academy of Sciences and the California State Division of Mines.

Orchard City Grange Elects Fred Bentley 1957 Master

Worthy Master B. K. Werner presided at the Orchard City Grange meeting last week when Fred Bentley was elected Master of the group for the coming year.

Other officers elected at that meeting were: Mrs. Malcolm Blue, overseer; Mrs. Cora Kaufmann, lecturer; Richard Morrill, steward; Mervyn Keesling, assistant steward; Mrs. Catherine Haliwell, chaplain; Owen Jones, treasurer; Mrs. Elmer Hoerler, secretary; Elmer Hoerler, gate keeper; Mrs. Henry Anet, lady assistant setward; Mrs. Dorothy M. Davis, Pomona; Mrs. Charles Scarper, Ceres; Miss Elizabeth Pesch, Flora; Mrs. David Rutherford, musician, and Robert Wurfer, executive board for a three year term.

Mr. and Mrs. Arthur Robinson were honored at the meet on the occasion of their golden wedding observance and a large wedding cake was served in their honor. Mrs. Fred Bentley was heard in a group of piano selections during the potluck dinner which preceded the business meeting.

Mrs. Guy Proctor, president of the Home Economics Club, announced the club would meet at the home of Mrs. Anna Hedegard on December 14 for a Christmas Party. She also announced that the local Home Economics Club will meet jointly with similar groups in San Mateo and Santa Clara Counties at the Women's Club in Palo Alto on December 10 at 12:30 p.m. for a Christmas party.

Worthy lecturer Cora Kaufmann reported that the Christmas party will be held at the December 11 meeting when a program will be presented and gifts exchanged. All Grange members are invited.

Local BPWs Plan Christmas Dinner

Annual Christmas party will be observed by Campbell Business and Professional Women's Club next Wednesday, starting with a dinner at 7 p.m. in the home of Ellen Lanphear, 636 Sweetbriar in Campbell.

Past presidents of the club will be in charge of the affair, with Margaret Leick as chairman, assisted by Alma Fanning, Marian Hill, Thelma Solari, Gwen Steindorf and Dorothy Ellis.

Members are asked to bring their own table service and reservations must be in not later than tomorrow.

In an effort to bring Christmas cheer to elderly women patients at the County Hospital, the Club's Christmas project this year will be to provide a holiday tablecloth for the ward and each member will contribute at least one personal gift such as cologne, face powder, or some other useful but personal gift, aimed at boosting morale of bed-ridden patients.

Women

Choir to Sing Yule Songs at Festival

The Campbell High School a cappella choir will add to the Christmas mood in the San Jose Civic Auditorium tomorrow night when it takes part in the annual a cappella Choir Festival.

The program, which begins at 8 o'clock, will start with the traditional flashlight procession and end with the 700 voices of the massed choirs from 10 high schools.

Campbell's choir will sing "Angel Song" and "Wassail Song". The massed choir will sing "Cheribum Song", "Sing Oh Sing", "Gloria Patri", and "Silent Night".

Cece Enlow, from Oakland Junior College, will act as guest conductor. James Snyder of Oakland will serve as guest critic.

Frank Triena' is director of the 80-voice Champbell High Choir.

PUNDITA CIRCLE MEETS

Mrs. F. Stephens entertained members of the Pundita Circle at her Winchester Road home last week when Mrs. Fred Nybro read letters from her niece who, with her family, lives in Bangkok, Thailand, telling of their life there.

A general meeting preceded the program, when refreshments were also served.

The club will hold their annual Christmas meeting next Wednesday in the home of Mrs. D. Davidson in San Jose.

. . . That best portion of a good
man's life,
His little, nameless, unremembered
acts
Of kindness and of love.
—William Wordsworth

REHEARSING FOR THE CHOIR FESTIVAL . . . are four members of the Campbell High School Choir, which will take part in the annual Choir Festival tomorrow night at the Civic Auditorium in San Jose. Standing left to right are, Margo Hopkins, Ron Shelton, and Dave Downing. Seated at the piano is Sharon Ray.

ATTENDS EASTERN MEET

Mrs. T. B. Cutting returned to her Steinway Ave. home in time for Thanksgiving, after spending twelve days back east, attending a six-day institute in Cumberland County, Pennsylvania on education and training in psychiatric occupational therapy work, culminating a year's research grant for the National Institute for Mental Health.

Mrs. Cutting was assistant professor of occupational therapy at San Jose State College until her retirement last June, and a former supervisor of rehabilitation therapies at Agnews State Hospital.

While back east, Mrs. Cutting extended her stay to visit friends in Connecticut and New York City.

HOLIDAY THEME AT EXTENSION MEET

Holiday poultry and steamed puddiings was the project for the combined November and December meeting of Cambrian Home Extension Gorup last week when project leaders were: Mmes M. G. Dyer, Don Hancock, Stanley Shell, Monte Estabrook and J. D. Malone.

More than 30 members attended the meet, which was followed by a luncheon. Child care was also provided.

The Cambrian Home Extension Group is a non-profit organization, sponsored by the University of California Extension Division. There are no dues and everyone interested is heartily invited to attend the meetings and join the group. Meetings are held in the Cambrian Youth Center, 481 Casey Road.

Moreland Faculty Stages PTA Show

Dressed in costumes of the roaring twenties, Mrs. Josephine Starrs and George Sewell did the Charleston in one of the many acts put on for parents by Moreland School faculty members at the P.T.A. meeting last week.

Music of the past, present and future was portrayed by Carl Bennett, including music from Indian camp fires and community barn dances. Mrs. Bennett followed with realistic imitation of Frank Sinatra and Elvis Presley.

Several selections were presented by the Barbershop Quartet with Thomas Geran, William Booth, Robert Brodie and George Sewell.

Others taking part in the program were Mmes. Margaret Crisham, Bertha Hoagland, Shirley Kazan, Virginia Carr, also Messrs. Frank Lovoi, Ralph Brown, Gary Goodpasture, Thomas Geran, Clarence Barr, Robert Taylor, Kenneth Harness and Frank Maggi.

Cecil Cox was master of ceremonies for the program and Mrs. Josephine Starrs was chairman.

During the short business meeting Frank Lovoi, principal of Moreland School, asked for volunteers to help install the sprinkling system for the new lawn on the playground. Turfing the playground is the special project of the P.T.A.

Mrs. Earl Wetterstrom, carnival chairman, reported on results from the Hallowe'en Carnival.

COMMON SENSE

An important part of being a good driver is having just plain common sense. It's only common sense, for instance, to LOOK and SIGNAL before you pull out of a parking space, yet some drivers fail to do it. The California State Automobile Association says you'll stay out of trouble if you're always alert when you're driving.

Camp Fire Girls Get New Campsite

Camp Fire Girls from 35 local groups have been assisting in raising funds for development of the new Camp Fire Girl camp site by selling candy and the book "Our Presidents at a Glance".

The new camp site, recently purchased by Camp Fire Girls, Inc. consists of 158 acres of wooded land at Zayante, near Felton for the 2200 Camp Fire Girls of Santa Clara County. Wooded trails, abundant springs, running streams and sunny open spaces are some of the attractive features of the site and men who have volunteered their services, are now working Saturdays to get the camp ready for next summer.

Campbell Country Woman's Club has donated their range which was formerly used in their club kitchen. It will be used in the camp kitchen which will soon be erected.

"Camp Wastahi" at Big Basin known to two generations of Camp Fire Girls, is being abandoned mainly because the site is no longer large enough for the increasing number of girls who are in residence at the camp during the summer.

Campbell area adults interested in the new camp are Dr. Leslie Jauncey, financial chairman; and Mrs. Bea Jauncey, president of the county Camp Fire executive board; Mrs. Harry Smith, chairman of the Campbell district leaders association and the following Camp Fire and Blue Bird leaders in the Campbell schools; Mmes. Kathryn Nevin, LaVerne Whistler, Lea Etta Bailey, Mae Lantz and Jean Peterson from Cherry Lane School; Laura Garcia, Nette Rappe from Rosemary School; Virginia Friend and Cleota Woolman from Quito School; Beverly Coe, Mary Smith from Moreland School. Mmes. Patty Austin, Nancy Healey, Artie Cowan, Gladys Allen, Delores Donahoe, and Betty Lowe from Dover School; Juanita Chamberlain, and Barbara Kessling from Moorpark School; Naomi James, Jean DeMartini from Hamilton School; Juanice Harden from Bucknall School; Jay Freitas, Bert French from Strawberry Park School; Bea Jauncey, Charlotte Estepa, Lillian Hill from San Tomas School; Betty Voytek, Claudia Peterson and Virginia Means, Campbell Grammar School, and Nettie Rappe from Campbell Union High School.

Any Campbell resident wishing to help out in any way with the work at Zayante Camp, may contact Mrs. Harry Smith, Franklin 8-2406.

COMING EVENTS

CHURCH NEWS

Christian Science

Man's God-given protection and power will be brought out at Christian Science services Sunday. Keynoting the Lesson-Sermon entitled "God the Preserver of Man" is the Golden Text from Ephesians (2:8): "By grace are ye saved through faith; and that not of yourselves: it is the gift of God."

—o—

First Methodist Church

"God Has Done Something About It" will be the Rev. Herbert Neale's sermon topic at both 9:30 and 11 a.m. services Sunday, with special music for the Christmas season by the Sanctuary and Chancel Choirs. Sunday School will meet at the same hours.

Methodist Youth Fellowship, Christian Adventurers and Wesley Fellowship groups will all meet from 7 to 9 p.m. Sunday at the church.

Mothers' Club will hold its monthly meeting in the Fireside Room tomorrow from 9:30 to 11:30 a.m. followed by "brunch". Members will have a gift wrapping party of gifts they will be giving to the Ming Quong Home in Los Gatos. Child care for babies and young children will be provided. Mmes. E. H. Hopson, Richard Hartesveldt and Hillis Lipper will will be group leaders.

CAMP FIRE GIRLS GO ROLLER SKATING

Roller skating was enjoyed last week by Luta Camp Fire Girls from Rosemary School who went to Rollerland in San Jose. Girls attending the affair were: Carol Johnson, Carol Baldwin, Martha Bradshaw, Bonnie Rappe, Ingrid Anderson, Bonnie Cahill, Joanne Freitas, Joyce Price, Nancy Ellison, Cynthia Brett, Merikay Barker, Toni Hatt, and Gloria Carpenter.

Accompanying the girls were Pat Rappe, Florence Edwards, Mmes, Boyd Rappe, Carney Bradshaw and Raymond Carpenter.

NETOPS MEET

At a recent meeting of Netops Council No. 247, Degree of Pocahontas, Mrs. Phyllis Radford and Miss Rayetta Nelson were appointed to represent the Council at the district meeting of the Peninsula and Monterey Bay Association of the Iimproved Order of Red Men and Degree of Pocahontas in Watsonville. Mrs. John Morris presided at the meeting.

Plans were also discussed for their fund raising project to support their veteran and child welfare work. Further information may be obtained from Mrs. Ray Gilpatrick at FRanklin 8-4829 or at the Blue Bell Cafe in Campbell.

Mrs. Walter Lamb and Mrs. Robert Loveday were co-chairmen of the social committee for the evening.

TV Talk Slated At Dover Meet

"Education in Commercial Television" will be the topic discussed at Dover Home and School Club meeting next Monday at 7:30 p.m., when Robert Somerville, assisted by Fran Conrad and Russ Truesdell, representing San Jose's Channel 11, KNTV, will discuss potentials of educational programs over commercial television channels.

Following the guest speakers, fifth graders will provide an entertainment program, under the direction of Mrs. Zoe Fischer, Max Bingham and Sam Cook.

Mrs. W. H. Helbush is program chairman for the meet.

Following the evening's program, refreshments will be served under the direction of Mrs. Doloris Timmerman, hospitality chairman.

DESSERT-FASHION SHOW SLATED DEC. 14

"Santa's Fair Lady" is the theme of the annual dessert fashion show sponsored by Notre Dame Alumnae Association, to be held at the Sainte Claire Hotel on December 14 at 8 p.m.

The show, which will feature sports clothes, maternity wear and furs, will benefit Notre Dame San Jose building fund.

Tickets are available by calling Mrs. Merrill Grim at FRanklin 8-8034 or Notre Dame High School, Cypress 4-1113.

The Kern River was named for a lieutenant in George C. Fremont's third expedition to California, 1845-7.

Local Girl Travels from Campbell to New York Via Panama Canal

Miss Emily Snyder has returned to her home on Carlyn Ave. after an extensive and interesting trip. First lap of her six weeks journey was a flight to Panama. At Columbia she met a friend who had been travelling in South America and together they boarded the Grace Line's Santa Isabel to New York where Miss Snyder visited friends and relatives. She also visited friends and relatives in Pennsylvania and New Jersey. A friend from Lebanon, Pennsylvania accompanied her by train back to California, but they first stopped and did a bit of sightseeing in New Mexico and the Grand Canyon.

Coming Events

(Continued from page 8)

Dr. Elliott Fisher, district superintendent of the San Jose District, will preside at the first quarterly conference of the church next Monday at 7:45 p.m. All members of the official board, the various commissions, and the committees are expected to be present. All members are welcome to attend this open meeting.

Rev. Herbert Neale will meet with the Inquirers' Class on Tuesdays at 8 p.m. in the study. This group is for any persons interested in learning what membership in a Methodist Church means, and will lead to membership in the church for those who decide to become members. Next membership Sunday will be observed December 23, when persons will join the church through transferred membership of through profession of faith. There will also be opportunity that day for baptism of infants or adults.

—o—

Prince of Peace Lutheran Church

Catechetical instruction will be given at the church at 9:30 a.m. Saturday.

Choir Rehearsal will be held in the home of Bruce Sebert on Seagull Way at 7:30 p.m. Saturday.

Pastor Werner P. Welchert will deliver a sermon on "Christ is Coming" at 10:30 a.m. worship service Sunday. Communion Sunday will also be observed at that time. Sunday School session will be held at 9:15 a.m.

—o—

First Baptist Church of Quito Park

The Rev. Clyde Paul White will be guest speaker at the 11 a.m. worship service Sunday when he will speak on "Revival We Need and How to Have It". He will also speak at the 7:30 p.m. Sunday evening service on "The New Birth". Miss Margo Hopkins will provide special music for the morning worship service. All interested persons are invited to attend.

—o—

Valley Neighborhood Church

The Rev. and Mrs. Calvin Chao from Singapore will be guest speakers at the church's temporary quarters in the Seventh-Day Adventist Church, 4th and Rincon in Campbell, next Tuesday at 7:45 p.m. Rev. and Mrs. Chao are official workers in the Chinese Native Evangelistic Crusade and are now touring this country in the interest of that great work. They appeared on the mission program at Mount Herman last summer. The public is invited to attend and hear the speakers.

—o—

CLUB NEWS

Camden Faculty Wives Club

"Old Fashioned Christmas" will be the theme of the club's Christmas party next Wednesday at 8 p.m. in the home of Mrs. Laurance Hill, when Mrs. Fred Flint will give a reading in keeping with the theme. Mrs. Hill, Mrs. Kenneth Billings and Mrs. Jay Russell are co-hostesses for the party.

The club, formerly combined with Campbell High Faculty wives, has now divided because of the greatly increased membership. At the last meeting the following members were named to compile by-laws: Mmes. Laurance Hill, Dean Chamberlin, Jay Russell and James Culp.

—o—

St. Lucy's Women's Club

Annual Christmas program and luncheon will be held at the Villa Felice starting at 12:30 p.m. today. Following committee members are in charge of making arrangements for the affair: Mmes. Joseph Souto, John Triguero, John Serpa and Manuel Silva.

Campbell Students Take Science Trip

Ninety-seven Campbell High School Physics and chemistry students and science club members took a field-trip to Stanford University to view the School of Mineral Sciences exhibit last Friday evening.

A lecture by the associate dean of the School on the history of the California Mother Lode Country was followed by a tour of the exhibition. Upper division and graduate university students acted as guides.

The students were accompanied by Campbell Minkler, physics teacher at Campbell High, and James Crawford and Al Smith.

Tour to Moffett Field

Next Thursday Minkler will accompany his physics class on a visit to Ames Laboratory at Moffett Field. Highlight of the morning will be a look at the wind tunnel. In the afternoon the group will view the aeronautical division.

Jules Langlo, senior counselor at the high school, will also accompany the group.

Platt National Park in Oklahoma contains cold mineral springs.

Audubon Society Slates Film Tours

Five of North America's best-known wildlife photographers and lecturers will be coming to San Jose this season, according to Dr. A. G. Applegarth of the Natural Science Department at San Jose State College. They will show their films to the public in Morris Dailey auditorium at San Jose State College.

Ernest P. Edwards led off the series with the film, "Land of the Scarlet Macaw" on October 9. He is the author of the book "Finding Birds in Mexico" and his film includes the most interesting features of his many expeditions, both the natural history and people of those regions.

Other leading naturalists who will appear in San Jose in this series are: Alexander Sprunt, Jr., the specialist in Florida wildlife, presenting his film, "Cypress Kingdom"; Howard Cleaves, the "human chandelier" who learned movie photography from Thomas A. Edison and whose films have been released by Pathe, Fox and Paramount. His film is "Animals at Night in Color". Robert C. Hermes will show his film, "Between the Tides", and Fran William Hall will wind up the series with the film, "Hawaii, U.S.A." Hall is head of the department of photography at Carleton College.

Audubon Screen Tours are open to the public and to Audubon members for a small charge. For information contact the science department at San Jose State College, CYpress 4-6414.

GOODWILL NEEDS TOYS

Goodwill Industries Director, Walter E. Weber, asked local residents to do a pre-Christmas cleanup job in their homes and give Goodwill any of last year's Christmas toys that might be broken, outdated or unwanted.

The toys will be repaired by handicapped persons to be available for Christmas sale in local Goodwill stores, Weber reported. The sales will benefit handicapped persons.

Contributions (any articles will do) may be made by telephoning CY 5-3815, which will bring a truck to pick up the contribution.

Junior Symphony To Feature Local Student Musicians

Camden and Campbell high schools, along with Campbell and Monroe grammar schools, will be represented tonight, December 6, when the San Jose Junior Symphony Orchestra presents its first concert of the season at the San Jose State College Concert Hall at 8 o'clock.

Some 75 students from other elementary schools and junior and senior high schools throughout Santa Clara County also will participate in the concert.

The Orchestra, in its fourth season, is under the direction of Allyn Ferguson Jr., conductor, and David Wight, assistant conductor and business manager.

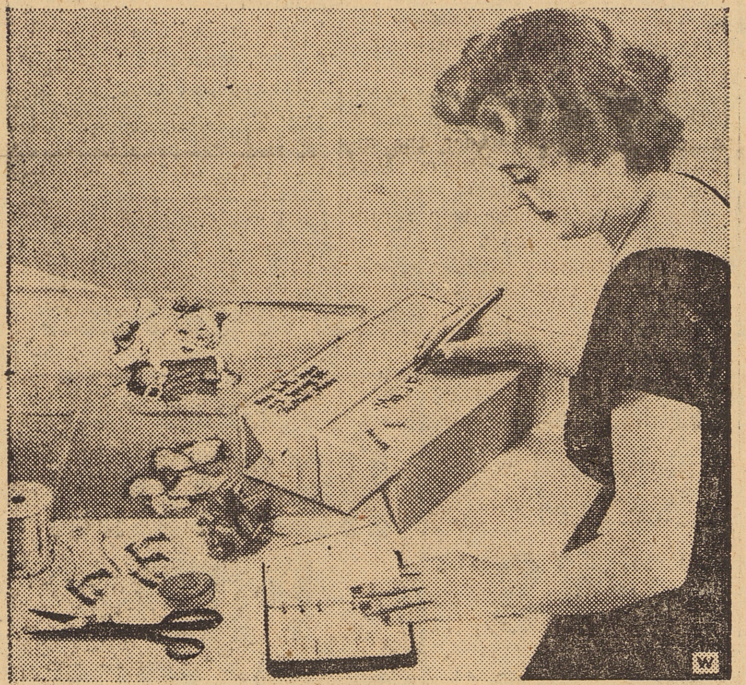
Campbell and Monroe elementary schools have provided some of the orchestra's younger members: Peggy McKee, playing the French horn, and Robert Egelston, trombonist; both from Campbell Grammar. From Monroe school, appearing in the orchestra, is Laura Egelston.

From Camden High, orchestra personnel includes Nancy Arnold, Dianne Fammatre and Bruce Stamps, violinists; Donna Fammatre, cellist; and Jerry Dagg, clarinet.

From Campbell High are, Patricia Bowman, violin, Sydney Wood, flute; and Mike Adams, trombone.

The concert will include music ranging from Handel and Mozart to two contemporary composers, Aaron Copland and Harl McDonald. Also featured will be two special instrument groups, a trio of two oboes and English horn, and a quartette of clarinets. There is no admission fee to the concert.

Legible Addressing Assures Better Christmas Package Delivery



Addresses marked on gifts with a felt-tip pen are colorful, clearly visible and quickly read and appreciated by postal employees, assuring that your packages will reach their destinations on time.

Long a favorite with teachers, artists, store and office clerks, and businessmen, this felt-tip pen, called the "Flo-master," is ideally suited for writing, marking and drawing in the home. This versatile pen can write on *any* material . . . glass, wood, paper, metals, plastics, porcelain, cloth, rubber, etc.

Housewives can use felt-tip pens to address parcel post packages . . . write children's names on the inside of their boots and rubbers . . . identify contents of home-frozen food packages . . . mark boxes for storage . . . label preserves . . . mark linen and clothes . . . and put names on birthday gifts and party favors.

Their husbands use felt-tip pens for marking window screens and storm windows . . . marking hardware storage containers . . . initialing personal property, tools, etc. . . . marking maps . . . making business signs, charts or graphs . . . laying out do-it-yourself projects . . . color-coding pipes and house wiring . . . and a multitude of other uses.

Although you can use any one of eight colors (including black) that are available for this type of pen, it is suggested that you get a separate pen for each color that you expect to use—to avoid the necessity of cleaning before each color change.

Made of chrome-plated brass, and furnished with four interchangeable felt tips for different width lines, this felt-tip pen is a handy, useful household and workshop article. Available at stationery stores everywhere.

Boy Scouts Form City of 50,000 at Annual Jamboree

America's youngest, newest and busiest city for over 50,000 persons will teem with excitement next July 12 to 18. At the moment it doesn't exist.

A 1,500-acre tent city will house the Fourth National Jamboree of the Boy Scouts of America at historic Valley Forge in Pennsylvania. In it boys from all walks of life, of all races and creeds will live together, exchanging skills, swap home-town products, and learn about the customs and traditions of many sections of the nation.

"The purpose of the jamboree," says Dr. Arthur A. Schuck, Chief Scout Executive of the Boy Scouts of America, "is to strengthen the program of the individual unit and to provide an opportunity for boys to be associated with Scouts from all parts of their own country. This living together in a spirit of brotherhood and friendship is one of the continuing objectives of our movement and the basis upon which we undertake this gigantic task."

Valley Forge Park is owned and maintained by the Commonwealth of Pennsylvania which invited the Scouts to camp there. After the jamboree the Scouts will have the grounds restored to their original condition.

Survey parties are allocating 1,292 troop camp sites each 90 feet by 90 feet. There will be 38 sectional camps each comprising 34 troops of 37 Scouts or Explorers and three adult leaders, and also a sectional staff of forty leaders.

The Scout city will have its own water, electric power, and telephone systems, post offices, fire department, medical facilities, an amphitheatre seating 55,000 persons and even its own trading post.

It will be a self-sustaining venture with each participant paying his own way.

PTA MEN MEMBERS CITED

Dr. Dwight E. Twist of Petaluma, State Congress men's membership chairman, was guest speaker at the first evening meeting of the Sixth District, California Congress of Parents and Teachers, meeting at the James Lick High School. Dr. Richard Conniff, men's membership chairman for Sixth District, introduced Dr. Twist at this meeting to salute the many men presidents, officers and chairmen in the 138 units of the Sixth District.

Campbell Athletes Win Awards at Tuesday Assembly

Campbell High School Athletes in basketball, track and football received awards last Tuesday at a special awards assembly held at the school.

The athletes who won awards in the "C" basketball division are David Sonsini, Tony Ochoa, Will Lujan, Dennis Segar, Fred Tashiro, Steve Hirose, Dennis Yamada and Dale Cory.

The players that won awards on the "D" basketball team are Ken Winters, Chet Itow, Gary Kanemoto, Don Suhama, Dick Mayeda, John Giannetto, Fred Marineuci, and Jim Rossi.

The Cross-Country team awarded seven of its members. They are Greg Hoffman, Larry Tyrell, Marve Castle, Richard Swindler, Henri Zandler, Danny Coats, and Leo Cadotte.

The boys that received awards for "B" football are Danny Schwartz, Fred Stoppa, Ron Wilson, Jerry Cooper, and Don Westbrook, Ron Corbus, Tom Perry, Robbie Goff, Mel Clewett, Jio Momori, Jim Tayota, Dick Lindsay, Harry Tomisaka, Mac Bahl, Gerald Seywer, Jim Omura, Charles Jackson, Bob Ochoa, Jat Connors, and Dennis Farley, manager.

Varsity football players that received awards are Jim Corbus, Krank Koontz, Dave Alvarez, Bud Scribner, Dave Smith, Ray S[illegible]vano, Ken Buran, Gene Bowen, C[illegible] Vargus, Tom Farley, Dave Machado, Jerry Chacon, Mike Browne, Jim Henry, Hector Cordova, Gary Prnjak, and Mike Profit.

Varsity Hoopsters Appear Stronger Says Buc Coach

"I think we will be stronger than last year. We have a little more height and a little more speed." This was Coach Bert Robinson's statement concerning the title chances of his Buc Varsity of 1956-57.

Coach Robinson's optimism may seem a little surprising in view of the fact that Campbell boasts only two returning varsity lettermen, Gene Bowen and Roger Almquist. The Buccanners, however, should be helped out considerably by at least three ex-Thirties lettermen, Ron Rowe, Don Kitijima, and Bob Miyakusu.

Facing a 20 game schedule and nine league games since the addition of Camden, Los Altos, and Sunnyvale, Robinson's Bucs will be forced to count heavily on the last years J. V.'s and Thirties players. Top three teams in the league of past performances should be Fremont, with a host of returning lettermen and one of Mountain View's regulars who transferred to the Tribe; Santa Clara, where the big noise is center Bob Lister; and Mountain View, with well balanced aggression of sharp-shooters led by Steve Flynn.

Asked for a tentative starting line-up, Coach Robinson said, from what they have shown so far, I would say it would be Roger Almquist, John Kriewall, Gene Andres, Jerry Shenefiel and Ron Rowe. However, that line-up could be entirely different tomorrow."

That is could, and look for lots of playing time from ex-footballers Gene Bowen and Jim Keech, once they loose their gridiron muscles, and adapt to basketball's quicker motions.

PLANNING ON PLANTING?

GARDENER'S CHECK LIST

By The California Association of Nurserymen

REMINDERS

1. Make your own humus—Your nurseryman will tell you how to construct a compost pile which will enable you to utilize grass clippings and other soft wood prunings.
2. Top dress lawns and shrubbery borders with steer manure.
3. Most evergreen shrubbery and fruit trees can be pruned at this time. If you are not sure of pruning procedures, secure an easy to follow pruning manual from your nurseryman.
4. Pruning should be followed by a cleanup spray.
5. Be sure you have a suitable spray gun. A garden cannot be effectively sprayed with a small fly sprayer. Inexpensive spray guns are available which actually take the work out of spraying.

Living Christmas Trees

The "Living Christmas tree" idea embodies a very charming and at the same time practical idea for Christmas time, for you can have your Christmas tree and plant it too. At nurseries, pick an evergreen tree from the many varieties available growing in containers or in root ball form, enjoy it during the holidays in your home, and afterwards plant it outside where you can enjoy it for years.

By planting your Christmas tree, the California Association of Nurserymen suggests, you record this particular Christmas season, and in the Christmases to come you have an outdoor tree to decorate as you do the one indoors.

There are many varieties of pines, cedars, cypresses anr junipers, which will make attractive living Christmas trees. The Deodar Cedar (Cedrus deodora) is an especially handsome, frosty-blue green evergreen, growing from 25 to 50 feet tall in conical shape. If this variety is too large for your yard plant the smaller variety, Cedrus deodara compacta which seldom grows higher than 25 feet.

Other evergreens take several generations to become large, make fine yard trees, such as the Norway Spruce (Picea evcelsa) and the Colorado Blue Spruce (Picea gralca). The Norway grows in a pyramid shape when young, making it especially fine in a container during Christmas. The Colorado features silvery gray green foliage, providing a handsome background for traditional Yuletide decorations.

Cypresses make attractive Christmas trees and adapt themselves well when planted in the inland areas of the state. Ellwood Cypress (Chamaecyparis lawsoniana elwoodi) another smaller Cypress growing to 12 feet, has handsome metallic silvery blue foliage.

The Arborvitae family provides some handsome choices for living Christmas trees. A perfect, cone shaped dwarf tree is the Thuja orientalis Bonita, seldom exceeding five feet in height. Six feet tall at full growth, the Dwarf Evergolden Arborvitae (Thuja orientalis Berkmann's) is compact and broadly conical with bright golden foliage. It will grow everywhere except in the hottest desert sections.

Living Christmas trees are available in your local nurseryies all during this holiday season. Nursetrymen will have them growing in containers or with their roots in a dirt ball covered with burlap. You can choose which form you prefer and a variety of containers will be available, too. Check with your nurseryman on the proper method of caring for your living Christmas tree indoors, so it will be in good health when you plant it outdoors.

Fragrance in Winter Gardens

Part of the pleasure of a garden is the fragrance of the flowers in it; sweet floral fragrances are usually associated with summer plants but there are a number of flowering shrubs, bulb and bedding flowers that bloom in the winter perfuming the air about them.

The Daphne Odora is the best known of all winter-fragrant shrubs. The flowers may be pink or white and the lush foliage may be either dark green or green with a silver edge. Another fine winter-fragrant shrub is the Sarco-cocca, with glossy green leaves and spices of tiny white fragrant flowers followed by purplish berries.

Wintersweet (Chimonanthus Praecox) carries a name that reveals the fragrance of its pale yellow flowers, which appear before the leaves in January and February. A deciduous shrub, it is hardy in all areas of the state and is valued for its winter color as well as fragrance. The shrubs will reach 10 feet in an open manner of growth. The flower-laden branches make lovely winter bouquets, and if the branches are cut regularly there will be no need for pruning after flowering.

Among the bulb flowers blooming in mid-winter, the Narcissus Poeticus varieties provide dainty white blooms very fragrant and attractive in indoor bouquets. Cyclamen of the Persian variety are also fragrant wintertime flowers. Annuals Sweet Alyssum and Stock (Mathiola) as well as the perennial Sweet Viola Odorata perfume a winter garden or home when they're cut for bouquets. Alyssum's flowers bloom in white violet and purple; Stock is available in the same colors and more — cream, rose, red, pink. Varieties of the Sweet Violet grow in many colors —white, lavender, mauve and rose pink.

The fragrance of lemon blossoms is most delightful in a winter garden and the Meyer Lemon, available in normal or dwarf size, gives floral fragrance as well as fruit, reminds the California Association of Nurserymen. Select several of these shrubs and flowers next time you're at your nurseryman's so that you can enjoy fragrance in your garden the year round.

Winter Blooming Azaleas

Bouquets are pleasure-giving ways of expressing holiday greetings, thanks or appreciation, and living bouquets are especially nice Christmas time remembrances.

Azaleas blooming in reds, pinks, scarlets, oranges and white are now available in containers, making living bouquets decorated attractively for the holiday gift-giving season. In nurseries there can be found the Indian Azalea Paul Schame, blooming with single flowers of deep salmon-orange flecked in crimson. Another Indian Azalea blooming during the holidays is Charles Encke with medium flowers of light salmon and white variegation.

Brick red Dorothy Gish, a Rutherfordiana Azalea, is an especially appropriate Yuletide selection, for its red flowers against the evergreen foliage fit in well with other Christmas decoration colors in the home. President Clay, an Indian Azalea, is another handsome red flowering plant—orange red—in blooms opening early in the holidays. Miss Cottage Garden, a double, is an especially fine red.

Azaleas given as Christmas gifts should be well cared for during the time they bloom indoors. When the blooming season is over they can be planted outdoors in a shady or filtered shade area with good drainage and rich, acid type soil, the California Association of Nurserymen advises.

Pick "living bouquets" of winter blooming Azaleas for Christmas gifts to your gardening friends and relatives. These bouquets will give pleasure during the holidays and for seasons to come.

CRAB AND RICE SOUFFLE

This souffle, served with asparagus salad, Parkerhouse rolls, and lemon sponge cake, is delicious and nutritious.

CRAB AND RICE SOUFFLE

¼	cup butter or margarine
¼	cup flour
1	teaspoon salt
¼	teaspoon pepper
1½	cups milk
1	cup (6½ oz. can) crab meat, flaked
2	cups cooked rice
4	eggs, separated
1	tablespoon lemon juice

Melt butter in saucepan; stir in flour, salt, and pepper. Add milk all at once, stirring constantly until smooth. Cook until thickened, stirring constantly. Add some of the hot mixture to the beaten egg yolks and mix thoroughly. Add to hot sauce and cook about 2 minutes longer over low heat. Remove from heat.

Fold in crab meat, rice, and lemon juice.

Beat egg whites until stiff but not dry. Fold in rice-crab mixture. Pour into ungreased 1½-quart casserole or 10x6x2-inch baking dish. Set in pan of hot water. Bake in moderate oven (350° F.) about 40 minutes or until firm. Serve immediately. Yields six servings.

Buc Basketballers Down San Jose Bulldogs, 40-39

By Richard Ferguson

Campbell High's basketball debut for 1956 was one of satisfaction as the Bucs downed the San Jose Bulldogs 40-39 at Campbell Tuesday afternoon. San Jose was looking for their first win in three starts and Campbell was looking for their first win of the season. The encounter was not a league game so neither team gained or lost ground.

Coach Bert Robinson's starting lineup of Ron Rowe, Jerry Shenefiel, Roger Almquist, John Kriewall, and Gene Andres started off fast with a new offense. The fast break is being tried by the team and it proved very effective in the first quarter for the Bucs who ran the score 16-2 by the end of the quarter. Ron Rowe twisted his ankle in the first quarter and was unable to continue in the game.

San Jose came back in the second quarter but couldn't quite keep up with the fast and shifty Campbell five. The drive of San Jose was not enough to cut down very heavily on [illegible] first quarter margin the Bucs set up and the canto ended with the score at 23-13 for Campbell.

San Jose again outscored the Bucs in the third quarter but the Bucs added the points just when they were needed. 31-24 was the score at the end of the third canto with Campbell still holding a slim lead.

With just two minutes left in the game San Jose closed the gap to two points with Fortin for San Jose dropping in a last second basket to make the score 39-38 for San Jose. Roger Almquist drove down the center with just 5 seconds remaining in the game to bring the crowd to their feet by slipping the ball through the hoop to put Campbell ahead for good.

Almquist lead the Campbell team in total points with 11 with Jerry Shenefiel dunking 10 in a fine showing. San Joe's leading scorers were Estruth with 12 and the high for the game, Eberling with 10 and Fortin with 7.

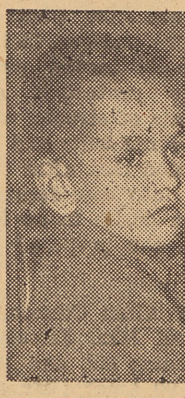
Scoring for Campbell:

	ft	fg	T
Rowe	2	1	4
Kriewall	2	0	2
Shenefiel	4	3	10
Almquist	1	5	11
Andres	1	2	5
Kitajima	4	0	4
Keech		1	2
Bowen		1	2

PAPPY TO SPEAK... Lynn (Pappy) Waldorf, retiring football coach at the University of California will be the speaker at the Camden High School football banquet honoring the championship Camden squad on Monday, December 17, in the Camden High cafetorium. Parents of the players have also been invited to the banquet.

Christmas Seals, sold since 1907 to raise funds to fight tuberculosis, are collected by many philatelists. No issue has ever been reprinted, and each year the plates are destroyed.

LOW DOWN ON SPORTS



By Marvin Moore

Prediction Corner

Chicago Bears over the Chicago Cardinals

New York over Cleveland

L. A. over Baltimore (upset?)

San Francisco over Green Bay

To Date: 28 right; 19 wrong; 5 ties

Play of the Week

The Play of the Week was made by Billy Wilson of the San Francisco 49'ers. Y. A. Tittle went back and threw a long pass and three tacklers were dodged by Wilson, who caught the pass and went for the touchdown. San Francisco looked good this week and if they continue like this I'll predict them every week.

Bowl Games

Rose Bowl—Iowa and Oregon State

Sugar Bowl—Tennessee—Baylor

Gator Bowl--Georgia Tech--Pittsburgh

Dons Win

The San Francisco Dons Basketball Team won their 57th straight game by beating the California Bears by a score of 70-56.

Our local basketball teams are off to a good start. Stanford beat St. Marys 65-54 and San Jose State took Sacramento 56-43.

Buc Gets Spot on All-League 2nd Team

Bud Scribner, Campbell High School Buccaneer's flashy back, was named to that position on the Santa Clara Valley Athletic League 1956 all-league second team this week by loop coaches.

Six other Campbell gridders received honorable mentions to the all-league team. They are, Frank Koontz, end; Hector Cordova, guard; Ray Salvano, center; Miks Browne and Mike Profit, tackles; and Dave Alvarez, back .

Mountain View and James Lick, co-football champions of the league, copped the majority of the other honors. The Eagles contributed five members, and Lick the back and lineman of the year—Chon Gallegos and Leon Donahue, respectively.

The rest of the team was composed of three from Santa Clara and one each from Fremont and Washington.

The '56 team line averaged 189 pounds, and the backfield 169.

BUD SCRIBNER

GOES TO TOWN... Billy Wilson, who resides at 1214 Robway in the offseason but who plays a lot of football for the 49ers the rest of the time, did himself proud on Sunday when he scored two touchdowns on passes, one covering 77 yards, as San Francisco edged Baltimore 20-17. Wilson, who played football at both Campbell High and San Jose State, was a sensation in Sunday's battle. Billy's second score of the game came when he took a 17-yard pass from Y. A. Tittle on the dead run and at midfield without breaking stride hurdled two Colt players waiting to bring him down.

Adoption Society Has Record Year

During the first 10 months of this year the Children's Home Society of California has placed 508 children in adoptive homes, compared with 505 placements for the entire year 1955.

This year represents an all-time high, according to Arthur T. George, society president.

The society has been successful in finding adoptive homes for the physically handicapped children this year more than any other.

Physically handicapped children would have been considered unadoptable only a few years ago, George reported. "Their handicaps would have restricted them to spending a large part of their lives in an institution. Yet their capacity for love and need for a home of their own is certainly as great as that of a completely normal child," George said.

More than 100 children from minority racial groups have been placed.

The number of natural parents seeking assistance from the Society in planning for the future of their children has increased 30 per cent over last year, George reported.

The Children's Home Society is the largest and oldest private adoption agency in California. It will celebrate its 65th birthday on December 10.

It has 10 offices throughout the State, and serves 39 of the State's 58 counties.

EDITORIAL

Should There Be an Island?

Opposition has been voiced by a number of residents of the Campbell Manor Tract (Hedegard, Victor and Amato avenues north of W. Campbell Ave.) to that area becoming part of the City of Campbell.

This area, virtually a county "island" in the midst of the City, was by-passed when the city limits were extended some years ago because the residents then did not want to join Campbell. Some weeks ago, however, the movement to join the City was instituted again by some of the residents because it was felt it would be to the benefit of all concerned.

The County Boundary Commission has approved the boundaries of the area for annexation purposes, together with additional territory that would extend the city limits along Campbell Ave. to the San Tomas Aquino Road and southward to Rincon Ave. Because some 30 families live in the tract, making it "inhabited", an annexation election is necessary. Necessary steps are being taken to set up the election.

But now it develops that there is not unanimity of opinion among the residents as to what they want to do. More than half the people living in the Campbell Manor have requested that their subdivision be excluded from any annexation proceedings.

They prefer to remain an "island".

Granting that these residents have a perfect right to their opinion, we question whether they have given due consideration to the situation.

We are of the opinion that they are being a trifle short-sighted in their viewpoint and not enough thought has been given to the consequences of having an "island" administered by the county while on all four sides of it is territory under city control.

We are convinced that such a situation is economically unsound and makes for inefficiency in governmental administration.

But aside from the obvious difficulties that are apparent in order to give adequate police and fire protection to such an area, there is something we consider far more important in the overall picture. It can be termed, "community pride". It is the American spirit of working together for the common good. It is that inherent belief that, if you live or work in a community you owe that community something.

In our philosophy, based on the rapid development of this area we feel that there is no place for "ivory towers", "islands", or "exclusiveness", if the entire community is going to progress and advance.

Granted that a new city such as Campbell cannot offer all the advantages that some people feel it should, it must be remembered that we must crawl before we can walk. We feel that the four years since incorporation have seen improvements in all phases of city government. As time goes on these improvements will become more apparent but we cannot expect to have miracles occur overnight.

If there are sections or "islands" that want to remain aloof from the mundane activities (and inadequacies) that go with the natural growth of cityhood, we feel those in these so-called "islands" are being unfair to those who are struggling to make the entire community a better place in which to live.

We feel that the satisfaction of having home rule is an important factor in the overall program. To be able to walk across the street and discuss local problems with officials who are vitally interested in them is an advantage that cannot be denied. (A supervisor in Los Angeles County recently was quoted as saying that it was impossible for a county supervisor and his deputies to maintain the personal contact which is necessary to solve local problems. He strongly urged that more unincorporated areas become cities. And in Los Angeles County at the present time, 18 such communities are in the process of doing just that.)

We think it will become increasingly difficult for the people in the Campbell Manor Tract to continue to drop an iron curtain on problems that, although they may be only citywide in scope, will affect all. We can foresee countless problems where a city limit sign will mean but little.

Those who want to remain a county "island" claim that it will cost them much more in taxes if they should come into the city. We concede that there is a city property tax (71 cents) but the difference is not that much, for those in county territory pay a fire district tax which is not charged to city residents.

We firmly believe that City of Campbell residents can get their money's worth, if the city is efficiently administered.

We also think that the feeling of pride of being part of a community's progress (a "pioneer" as it were) is important to one's self esteem.

OUT on the LIMB
with
George Vierhus

You may recall that a couple of weeks ago we reported that we had received an anonymous letter signed by "Two Dissatisfied Teen Agers". We broke precedent to a certain degree and quoted excerpts from the letter.

The letter to a large extent criticized the attitude of the adults who thought teenagers are going to the dogs. They asked what was being done to provide youth centers, parks and stuff like that. They pointed out also there wasn't even a show in town.

We mentioned that we were sympathetic about the teenagers plight in Campbell but if they expected us to go to bat for them we had to know just who was pitching. We suggested that the "Two Dissatisfied Teen Agers", if they didn't want to sign their letter, drop around to our office and chat with us about the situation.

We are happy to report that the two teenagers did just that.

We had a very pleasant talk with the two high school gals, authors of the letter.

We had mentioned that we were not just sure what teenagers wanted and we weren't sure either that the kids knew themselves.

Our two young gal friends, however, said they felt that some sort of a youth center was important. We are inclined to agree.

We suggested that they make a survey of their friends as to how they felt on the subject and let us know the results.

Our two pen-pals agreed to do so. So we hope to have more on this later.

—o—

In their letter the two girls touched on the fact that the movie theater has stood idle in town for a long time and apparently no attempt is being made to open it. Or for that matter to do anything else with it.

That's a sore point with us, too.

And it is not because we follow the flickers that we are upset. But in the face of the current face-lift operation now in progress in the downtown business district that old theater building presents a good sized stumbling block.

We understand that the showhouse has all the equipment necessary to get the show on the road but due to certain troubles that arose after the seats were put in shape by those who planned to operate it, the deal fell through.

Others must wish as much as we do for something to happen to it.

After more than a year the sign "closed for alterations" at least should be replaced.

—o—

From personal observations verified by city officials, we find that there are still a large number of householders in Campbell who have not bothered to put up their new house numbers. In some cases the old numbers still remain while in others there are no numbers at all.

The new city ordinance changing the numbers has been in effect since July but that doesn't seem to cut any ice with a number of people.

Despite the fact that it worked a hardship in some cases and was inconvenient in almost all, most residents have complied with the change-over.

Actually it is to the advantage of the householder or business firm to get the correct number on their buildings.

One advantage would be in case of a fire. The fire department could conceivably lose valuable time in getting to a fire, if the house number was incorrect. The same would apply as far as police protection was concerned.

Another reason for having the correct number would be to expedite mail delivery, especially during Christmas time. It stands to reason that some mail may not get to the proper address, if there is no way of telling what the proper address is.

—o—

We wonder how many have the attitude on the numbers of one man we heard about.

Bud Morser, building inspector, recently happened to notice that a certain house in town didn't have any number. The owner of the place was standing in his front yard, so Bud stopped.

"I see you have no number up," Bud remarked.

The guy wanted to know why that was any of Bud's business.

Bud allowed that he had a passing interest in such things.

"I'll put those numbers up when I'm good and ready," the man told the building inspector, "and I'm not ready."

So there you are.

Or where are you?

—o—

We get all kinds of requests for information at our office and rightly so. We pride ourselves on being able to keep abreast of things in general and generally know where we can get the correct dope for most questions.

The day before Thanksgiving, however, the office got a call that we couldn't fulfill, although we appreciated the thoughtfulness of it.

A woman called us to see if we knew of anyone around who would like to come to a Thanksgiving Day dinner in her home. She said she and her husband and four youngsters felt that they would like to share their repast with someone who would be eating alone or had no home to go to.

We didn't know of anyone at the time but we thought her quest expressed the basic principle of the day.

It sorta made us feel pretty good to know that in the hustle and bustle so prevalent on that day people had time to thing of the less fortunate.

—o—

We felt pretty big-time recently when the telephone operator informed us that Philadelphia was calling The Campbell Press.

We didn't know anyone in Philadelphia. But it was impressive anyway to get the call.

It turned out that a free-lance newspaperman in that city was seeking clients for a service he was putting in effect. He wanted to cover Washington D. C. and the eastern seaboard for us.

We, felt complimented but told him we couldn't see our way clear at the moment to extend ourselves that much.

That is the first time we can recall when we have been contacted by phone from clear across the continent by a salesman.

Do you think this new long-distance dialing sysstem of the phone company had anything to do with it?

LETTERS TO THE EDITOR

(Views, opinion etc. express in this column do not necessarily reflect those of this newspaper. This column is by and for our readers.)

OPPOSES ANNEXATION

Campbell Press
35 Dillon Ave.,
Campbell, Calif.

Dear Mr. Editor:

An article appeared in your paper on November 8, 1956 regarding a proposed annexation to the city of Campbell. The proposed boundary lines were to include an area known as "Campbell Manor". This area is bounded by Campbell Avenue on the South and consists of the streets, Hedegard, Amato and Victor.

This article stated that letters had been received by six residents asking to JOIN the City limits. The residents were Fred E. Jones, 70 Amato; Raymond E. Barton, 680 Hedegard; Ernest L. Morse, 81 Amato; T. O. Bergstrom, 91 Victor and Robert M. Culp, 730 Hedegard. The truth of the matter is that only Fred E. Jones, T. O. Bergstrom were interested in JOINING the City. Raymond E. Barton, Ernest L. Morse and Robert M. Culp were requesting information about the cost increase, if any, and the benefits of annexation.

A door to door survey was made by Mr. Homer Cooper, 721 Hedegard Ave. and Mr. James C. Malone, 731 Hedegard Ave. Facts regarding costs, pro and con, including taxes, fire insurance, police protection, fire protection and maintenance costs of streets, were presented to the residents and the following indicated that after taking all factors into consideration, they indicated a desire to be EXCLUDED from the proposed annexation:

Mr. and Mrs. Alton Connor, 61 Amato; Mr. and Mrs. James G. Haffter, 91 Amato; Mr. and Mrs. K. S. Pearman, 90 Amato; Mr. and Mrs. Y. H. Bravo, 80 Amato; Mr. and Mrs. James C. Malone, 731 Hedegard; Mr. and Mrs. George W. Basye, 70 Victor; Mr. and Mrs. A. F. Zimmer, 80 Victor; Mr. and Mrs. Leland Dugan, 90 Victor; Mrs. Mae E. Lorenz, 40 Victor; Mr. and Mrs. Robert Seligson, 31 Victor; Mr. and Mrs. Daniel Fields, 710 Hedegard; Mr. and Mrs. J. M. Gifford, 690 Hedegard; Mr. and Mrs. Ray Barton, 680 Hedegard; Mr. and Mrs. Harold R. Adams, 700 Hedegard; Mr. and Mrs. Homer F. Cooper, 721 Hedegard.

The only residents stating a definite desire for the proposed annexation were Mr. T. O. Bergstrom, 91 Victor, Mr. Fred E. Jones, and Mr. L. Harmon, Hedegard Ave.

The reasons for opposing the annexation were, added taxes, lack of sufficient personnel and equipment to properly maintain the streets, insufficient industry to support the tax base, better protection from the Santa Clara Fire Department.

It was felt that the Police Department of Campbell was equal in service and experience to the Santa Clara County Police force. There would be a small reduction in insurance rates if the area was annexed by about 5c per hundred. The Utility rates would be reduced by approximately .70 per month.

After we took all costs and benefits into consideration, we found that our taxes would be increased about $10.00 to $20.00 per year per house based on the PRESENT tax rate. The tax rate in Campbell has increased from $0.50 per hundred of assessed valuation to $0.713 in 4 years. Based on this, what will the next 4 years bring in a tax increase?

If an election is held to determine the annexation, about 20 out of the 26 residents of Campbell Manor will vote against it. This indicated that the MAJORITY of the residents are opposed and therefor petition to be excluded.

The remaining proposed annexation can be annexed by the City of Campbell without a formal election being held, since there are less than 12 registered voters in the area.

If Campbell Manor is excluded from boundary of the proposed annexation, there will remain about 100 acres which includes all that area West along Campbell Avenue to the east side of San Tomas Aquino Road to Rincon Ave. and east along the north side of Rincon Avenue to the City limits.

Very truly yours,
JAMES C. MALONE
731 Hedegard Ave.,

IT TAKES
A TEAM
TO KEEP
UP STEAM

IT'S AMAZING how many ways our youngsters can give us a look at ourselves—like showing us that teamwork is not only essential, but also provides satisfaction for everyone!

Take Kaiser Aluminum & Chemical Corporation plants, for example: they'd soon stop cold if it were not for the important services made available to us by businesses in this area.

Local suppliers help keep our plants humming with everything from paper clips to delivery trucks, from typewriter ribbons to huge amounts of fuel and power.

And each of these suppliers, in turn, is building a prosperous enterprise that helps to guarantee the economic health of this entire community.

Kaiser Aluminum

Our aim is always to be your good neighbor and a strong partner in the growth and prosperity of this area

REPRESENTATIVE IN CONGRESS
TENTH DISTRICT, CALIFORNIA

Popular concern with public affairs runs in cycles. For months, the predominant preoccupation may be with domestic issues such as a natural disaster, a political election, a spectacular crime or a specific economic situation. At other times, the headlines and other indicators of public interest may evolve almost entirely around foreign relations and international affairs. There is no doubt that the latter is the case at present.

Not since the darkest days of the Korean War has attention been focused so exclusively upon world events. Poland, Hnugary, Suez are the focal points and have been for weeks. Even the Presidential elections, one of the biggest stories of the year, was largely eclipsed by the news from abroad. The people's eyes are on the Middle East, their ears to the United Nations, their hearts in Hungary.

The overriding concern of our people is the threat to peace looming in several areas of the world. One of the very significant facts of America in 1956 is that isolationism is as out-dated as alchemy. You need not be a political scientist to realize that events in Egypt concern people in San Jose and that the measure of patriots in Hungary is also affecting people in Santa Cruz and Hollister.

More than ever before we are concerned with what may be termed our moral position in the world. While for many decades we were thinking in terms of power balance and startegic positions, we give increasing weight to considerations of what is morally right or wrong. and we will use— as the President has effectively used during the past weeks—our tremendous prestige to deter aggression if we can, and to stop it if it actually occurs.

The indignation of our people over the cruelty displayed in Hungary is real. The tenets of our Declaration of Independence are living things with us, as much a part of our individual makeup as our rtligious beliefs. We believe in human dignity and freedom for ourselves and we believe that no one else desiring it should be deprived of it by force. That is the basis on which the President is proceeding and that is the approach backed by the overwhelming mandate he received on Election Day.

Coast Guard Seeks Cadet Applicants

The U. S. Coast Guard is currently seeking applications from high school seniors and graduates who are interested in careers as Coast Guard officers.

Upon completing a four-year course of academic studies and military training, an Academy Cadet is awarded a bachelor of science degree in engineering and a commission as Ensign in the Regular Coast Guard.

The Coast Guard Academy is located at New London, Connecticut and is among the top ten engineering colleges in America. No Congressional appointment is required to gain admission with eligibility based on standing of the applicant in a nationwide competitive examination.

An applicant must have 15 units of high school credits by June 30, 1957, but three are required in English, two in algebra and one in plane geometry. Application to take the examination this year must be postmarked before January 15, 1957. The examinations will be held on February 25 and 26, 1958, in over 100 major cities throughout the country.

PEERLESS BUYS NEW BUSES

Peerless Stages, Inc., recently purchased four new buses for the run between San Jose, Campbell and Los Gatos, Lloyd Cole, San Jose manager of the bus-line announced last week.

The buses were purchased for a total of $135,000.

Third Annual Christmas Exchange For Needy Families Gets Rolling

The third annual Christmas Exchange for needy families and their children in Santa Clara County is now under way.

Sponsored by the Community Welfare Council of Santa Clara County, applications are being received at the council offices at 323 Security Building.

Requests have been coming in from all sections of the county the past week for food, clothing and toys for families stricken with illness, loss of employment or death, it was disclosed this week.

Last year, a total of 7,813 individuals received gifts and baskets of food through the Christmas Exchange. There were 1,395 families, served with only 193 duplications.

C. J. (Josh) Anderson, executive director of the Community Welfare Council stated the primary purpose of the Christmas Exchange is to put needy families and underprivileged children in touch with persons who want to help them at Christmas time.

A secondary objective, he said is to prevent duplication of gifts.

"Without such a clearing center as the Christmas Exchange, one family is likely to get several baskets of food and other gifts,while another family, in equal need, may get nothing at all," Anderson reported.

The Christmas Exchange serves all the neighboring communities including San Jose, Santa Clara, Los Gatos, Milpitas, Alviso, Cupertino, Campbell and Cambrian Park.

Individuals, clubs and organizations anxious to do something at Christmas time for the less fortunate are provided with the names and addresses of those who register at the Exchange by telephoning Cypress 2-6432.

Persons who know of families or children in need of Yuletide cheer should write to the Exchange, giving the names of parents, together with the family address, the number of children, their names, age, sex, (also sizes, if clothing is needed) the telephone number if the family has a phone, and information as to the kind of gift desired.

Needy families and children may be registered with the Exchange by letter but not by telephone. Letters should be addressed to the Christmas Exchange, 323 Security Building, San Jose.

The Christmas Exchange is not a Yuletide relief organization, Anderson pointed out. "It is not the function of the Exchange to tell anyone to whom or how they are to give. Our function is to keep the records straight, and to help spread the Christmas spirit where it is most needed."

The Exchange is just another one of the Community Welfare Council's services made possible through the annual Red Feather campaign.

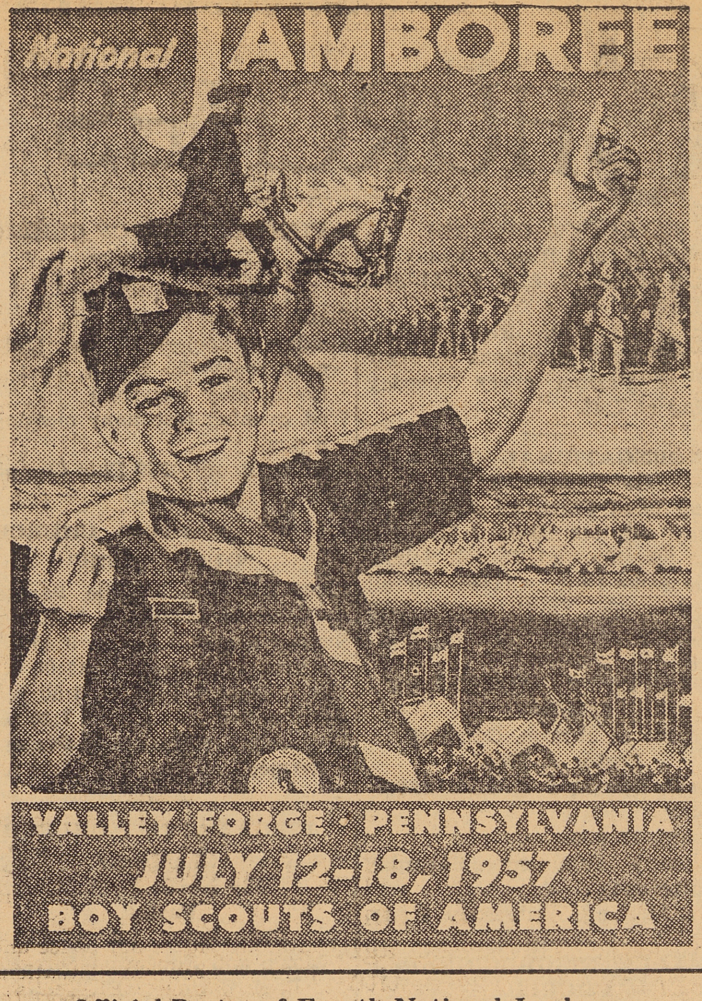
Knight Backs Dam; Farmers Applaud

The president of California's largest general farm organization this week commended Governor Goodwin J. Knight for calling for immediate legislation to start preliminary construction work on the Feather River Project in Northern California.

"The governor is to be commended for his stand in this matter of water, which is most important to every farmer in California," L. A. Rozzoni, president of the California Farm Bureau Federation said this week in Berkeley.

Governor Knight said recently that he would ask the Legislature next year to make the necessary appropriations for work preparatory to actual construction of the Oroville dam in Butte County, pur-Oroville dam in Butte County and for the purchase of lands for the Oroville and San Luis reservoirs. He also backed a proposal to earmark all uncommitted tidelands oil money for water development, stating that $160 million would be able by mid-1968.

The Republic of Texas was admitted to the Union by joint resolution Dec. 29, 1845.



Official Poster of Fourth National Jamboree

Fifty thousand Boy Scouts, Explorers, and leaders from all parts of the nation and some from other lands will camp together at the Fourth National Jamboree July 12-18.

A 1,500-acre tent city is being prepared at historic Valley Forge in Pennsylvania. It will have its own water supply, electricity, telephone service, post offices, and other services for the largest gathering of boys in the Western Hemisphere.

Jamboree campers, all of them at least twelve years old, holding Second Class rank or higher, will share daily camp chores, cook their own meals, take part in displays, campfires, demonstrations, intercamp visits, and excursions to historic shrines in and near Philadelphia.

Outstanding Americans will take part in principal events.

Postal Service Installs "Piggy Back" System

The postal service will use "Piggy Back" rail-truck service for parcel post and other bulk mail between the San Francisco Bay Region and Southern California during the Christmas mailing season, starting this week, Regional Director Verne Scoggins of the Post Office Department has announced.

It will be the first time the "Piggy Back operation has been used for scheduled mail transportation in California and Scoggins said it is expected to improve holiday mail service between the two metropolitan areas. He said the plan was developed to provide better postal service at less over-all cost than in previous years.

State TB Units Offer $250 Award For Manuscript

A cash award of $250 will be offered for the best original published or unpublished manuscript written during 1956 on any human interest, sociological, psychological, medical or historical aspect of tuberculosis. Dr. William Graham, president of the Santa Clara County Tuberculosis Association, has announced.

Contest, open to all California residents, is sponsored by the California Tuberculosis and Health Association in conjunction with the local tuberculosis association. In addition to the cash award, the author of the winning paper will be invited to attend the 1957 three-day annual meeting of the California Association in Los Angeles, expenses paid, Doctor Graham stated.

Graham urged all those interested in entering the contest to call or write to the Santa Clara County Tuberculosis Association, 211 Balbach, San Jose, Cypress 5-3533 for detailed information.

"Sauce Up" Spaghetti With Spaghetti Sauce

Spaghetti mushroom sauce enriches to the fullest this swirl-y spaghetti . . . *and* . . . makes dinner a dependable delight.

Such epicurean success as this spaghetti sauce with mushrooms is found in cans bearing the label with a long heritage in the spaghetti and macaroni fields. Pour this luscious sauce over—

swirl-y spaghetti
macaronies
rice
scrambled eggs
whipped potatoes
hot butter-toasted buns
noodles (toasted or plain)
omelets
fish sticks
giant Idaho bakers
fried chicken
Salisbury steaks

The list is endless . . and so are the many dinners that must be prepared and devoured . . . for "Where is the man who can live without dining?" FNS

Thanksgiving Day is a jewel, to set in the hearts of honest men; but be careful that you do not take the day, and leave out the gratitude. —E. P. Powell
